

## ***From their plans to blacken All The 3 Men and all the good Chinese people!***

***(18 February 2026)***

***(Please read them all.)***

Almighty or Allah told Me “Angie. After all the Thai people and their co-workers had enticed Chinese people to work the plan, numerous Chinese people believed My Warnings and made up their minds not to work the plan”

Whereas, recently, I saw a reel of BBC Thai on My Facebook. The reel was about “Chinamaxxing” in the western world.

After that, Almighty told Me “Angie. This is a wicked plan of all the Thai people, all the Bhutanese people, and all the Korean people especially all the South Korean people to blacken all the good Chinese people to see conflicts and wars between all the good Chinese people and all the good western people. Because all the satanic know that You still buy Chinese products from Chinese people on Lazada, You are still friendly with Chinese people, and in the end, all the good Chinese people and all the good western people will understand one another because of You. As a result, all the satanic want Your Mind to blacken all the good Chinese people before!”

Almighty told Me “Angie. Although Chinese people who work the plan are leaded by the Chinese government, there are still numerous the good Chinese people who do not work the plan. And all the satanic including “grey Chinese people” want these good Chinese people to get a disaster along with them because the satanic does not think of and does not love anyone even his compatriots but himself. Angie, could You remember a piece of the news around more than 10 years ago? The news was about many Chinese people would follow the history of “Tiananmen Square”. Angie, it was not happened because I consoled them to wait for a day when All The 3 Men will know that You told Them The truths and The Solution. Angie, proclaim to everyone “The Chinese people who want to follow the history of “Tiananmen Square” and all the good Chinese people including babies, toddlers, kids, children, teenagers, and elders have not periodically slept enough along with Us and all the good all around the world. But nobody has a chance to announce their sufferings to the world!””

Almighty told Me “Angie, “Chinamaxxing” was occurred because all the South Korean people ordered Me to make “South Korean fever” all over the world. Angie, could You remember a piece of the news from India which was 3 teenage siblings (were) suicided because their parents had not allowed them to follow cultures of South Korean? And Angie. All the satanic want to blacken all the good Chinese people by “Chinamaxxing” too!”

Almighty told Me “Angie. The other countries including China and Japan have many good citizens. The numbers of their good citizens are much more than Thailand, Bhutan, and Korea where all the citizens are all the satanic. But all the satanic have ordered Me to help their co-workers to be “on top” of the societies of the other countries!”

Almighty told Me “Angie, tell everyone that I have told You “The total population of Thailand are around 70,000,000 people. But the numbers of good Thai people are less than 100,000 people. It means that the numbers of the good Thai people are less than 1 percentage of the population. So, do you think what else has happened to the good Thai people? And how about the countries that are the co-workers of Thailand?””

Almighty also told Me “Angie. All the Thai people, all the Bhutanese people, and all the Korean people especially all the South Korean people have been able to do wicked deeds to the citizens of the other countries like these until Will and You will be on a trustworthy royal flight out of the border of Thailand in the sky to fly to The Holy Home. Therefore, “จะได้รู้ว่า ประเทศพวกนี้เป็นยังไงจากแผนใส่ร้ายของพวกเขา” or can be translated in The English Language “Everyone will know how satanic natures of the citizens of these countries are from their plans to blacken All The 3 Men and all the good Chinese people!””
