

## ***His Only One Main Reason***

***(17 May 2025)***

Since around 9 May 2025 or may be 10 May 2025, I started to scold Almighty or Allah “ไอ้พระบิดาหน้าเหี้ยหน้าสันติน”

Why I have scolded Him like this?

Since the end of 2023, Almighty or Allah has periodically told Me “ถ้ายังไม่ถึงวัน ควินอลิซาเบธยังลงมาไม่ได้” or can be translated in The English Language “If A Day when The Spirit of Queen Elizabeth, All Spirits of gods and goddesses, and all spirits both humans and animals that were passed on by them will do The Missions, still has not come, The Spirit of Queen Elizabeth, All The Spirits of gods and goddesses, and all the spirits cannot come down!”

And as of lately, Almighty or Allah has told Me “เรื่องจะได้เป็นแบบที่เราเล่า” or can be translated in The English Language “The story must be gone on as I told them”, “เดี๋ยวเรื่องจะไม่เป็นแบบที่เราเล่า” or can be translated in The English Language “If I let The Spirit of Queen Elizabeth, All The Spirits of gods and goddesses, and all the spirits do The Missions before the day I told them, the story will not be gone on as I told them”, “เรารักษาคำพูด” or can be translated in The English Language “I always keep My Words”, and “นี่คือเหตุผลหลักของเรา มีเหตุผลเดียว” or can be translated in The English Language “This is My Only One Main Reason”

So, I can conclude the truths from The Words of Almighty or Allah: ***If The Day when The Spirit of Queen Elizabeth, All The Spirits of gods and goddesses, and all the spirits will do The Missions, still has not come, Almighty will not let The Spirit of Queen Elizabeth, All The Spirits of gods and goddesses, and all the spirits come down to do The Missions. His Only One Main Reason is “The story must be gone on as I told pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and creative people at the start” Almighty or Allah insisted to do like this even though immense foreign people including many of the new born, numerous toddlers, massive kids, innumerable children, and tremendous women have been tormented, have been suffered, and/or have been killed because He always keeps His Words!***

Did you know My Reason why I have scolded Almighty or Allah “ไอ้พระบิดาหน้าเหี้ยหน้าสันติน”?

Almighty or Allah asked Me “Angie, Your Natures are the same as Mine. When You insisted to do something and leaded other people to do the same as You, You thought “I just think “My Way is The Best Way to do”” So, why do You call Me “Self-centre”?

I answered Almighty or Allah “When I insisted to do like those, nobody suffers and/or dies!”

Almighty or Allah tried to persuade Me to believe His way by His Words “Angie, You know Me because Your Natures are the same as Mine. You always keep Your Words. So, You kept Your Words “I will not definitely talk to all evil leaders and all evil rulers even though the evils leaders and the evil rulers have made chaos, have declared wars on others, and have killed tremendous people” Why do not You understand Me?”

I answered Almighty or Allah ...

... “It is right that My Natures are the same as Yours. We always keep Our Words. But We never approach any wicked people. You sent Me to teach everyone not to approach the wicked. And could You notice that to negotiate with Me, the leaders and the rulers have squeezed Me to talk to them by using evil ways such as making the chaos, declaring the wars on the others, and killing the tremendous people? They started by the evil ways, how will their purposes be good? And why I need to talk to the evil people who come to talk to Me by evil intentions? ...

... Another point is that You Yourself have told Me “They want to talk to You to request You to forgive them not to die in Hell and The Eternal Flame” ...

... Almighty, You Yourself told everyone “Angie, You came to help everyone to see “Law of Karma” or another word is “Bearing of Fruit” including “Law of Karma in this life” or another word is “Bearing of Fruit in this life” ...

... And Almighty, if they are educated, they will understand My Words which I usually said “If you can reform yourself, you will be forgiven!” ...

... Almighty, those are My Reasons why I will not definitely talk to them even though they have made the tremendous people pass away. ...

... Whereas, *for Your Case, You just change Your Plan by urgent letting The Spirit of Queen Elizabeth, All The Spirits of gods and goddesses, and all the spirits do Their Missions to save The World to “see bad karmas rebound on them” or another word is “to see their bad fruits are borne”* which You Yourself told Me “It is One of The Reasons I sent You to be born” ...

... Almighty, as of lately, when I tell other people “See you” but I know the truth from You later “He works the plan” or “I need to do something urgent before”, I change My Plan not to go to see them or not to do as I said. And You Yourself kidded Me *“Angie, You just change Your Plan (for something better)!”*

... Almighty, *why do not You think that You just change Your Plan for something better to save tremendous lives including the lives of the new born, the lives of toddlers, the lives of kids, the lives of children, and the lives of women, and to save The World which You Yourself created? You do not make any good lives pass over. And You do not approach any wicked people who will come to You by evil intentions, but You are going to stop approaching the wicked people by stopping following their orders! ...*

... And Almighty, *after The Missions of The Spirit of Queen Elizabeth, All The Spirits of gods and goddesses, and all the spirits will have been completed successfully, immense lives both humans and animals will be saved, many lives will come back to lives by You, and The World will be better as Your Purposes Which You aim to send Me, Will, Harry, Harry’s soulmate, some gods, and some goddesses to be born!”*

...

You will know how self-centre of Almighty or Allah is if I tell You the truths what had happened before I came down;

Almighty or Allah Himself told Me many times ...

... “Angie. Jesus, Na-bee Mohammad, gods, and goddesses did not agree with My Way. You, Will, Harry, and Harry’s Soulmate did not agree with My Way too. ...

... Angie, You asked Me “I and Will will be sent to be born for the first time, so We do not have any old karmas in any previous lives, and We have full of merits, but why You who want to help everyone to see “Law of Karma in this life” or “Bearing of Fruit in this life” let them torment Me, Will, and Other People for so long?” ...

... Angie, because I really knew that if I let You ask Me Your Questions, You would ask Your Questions, again and again, and again and again until it would not be in the end, *and I could not answer many of Your Questions.* ...

... So, Angie, I cut off Our conversation by asking You back “หนูเชื่อเรื่องกรรมมั้ย” or can be translated in The English Language “Do You believe in “Law of Karma”?” And You replied “เชื่อ” or can be translated in The English Language “Yes”. Then, I persuaded You “ถ้าหนูเชื่อเรื่องกรรม ให้ทำตามวิธีของพ่อ” or can be translated in The English Language “If You believe in “Law of Karma”, follow My Way!””

Almighty or Allah Himself told Me “I knew that at that time, You felt puzzled. But this way will help You not to ask Me Your Questions which ***I could not answer Many of Them***. And at that time, I am Your Hero, so You came down to The World!”

...

By the way, ***Almighty or Allah suggested Me and everyone how to know what Type of Father He is and what Type of Mine, His Daughter, I am by watching The Movie “I am Sam” presented by Sean Penn, Michelle Pfeiffer, and Dakota Fanning.***

...

I told you the truths earlier because I really believe that Almighty or Allah is “pumped up” by all moral Christians and all obedient Muslims “Almighty or Allah is “The Best” “The Purest” “The Smartest” “Knowledgeable” and “Forever””. As a result, ***I would like everyone who agrees with Me that The Way of Almighty or Allah is wrong to help Me to think and to pray to tell Our thoughts to Almighty or Allah “Your Way is wrong” to help Him to know “Not only Jesus, Na-bee Mohammad, gods, and goddesses do not agree with My Way, but also Angie, Will, Harry, Harry’s Soulmate, and good people all over the world!”...***

***... Please ended your thought and your pray by a question “Could Almighty (or Allah) please change Your Plan by urgent letting The Spirit of Queen Elizabeth, All The Spirits of gods and goddesses, and all the spirits both humans and animals that were passed on by them, fast do Their Missions?”***

😊😊 Many thanks in advance, sir 😊😊.
