

How do you know and why are you sure? ***(11 November 2024)***

Because foreign people who knows “Pimp king Bhumibol and the satanic Chakri dynasty are the big leaders of the devil’s dirty plan” ***are only some groups*** (such as the group of foreign presidents, foreign prime ministers, and their families 😞😞), so pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people planned to ***alibi*** to other foreign people including judges and juries at every court of law ...

... “You never meet them. You only heard their voices. Thus, how do you know that the real owners of the voices are us and all Thai people, but are not Queen Elizabeth, King Charles, Prince William, Prince Harry, Prince Andrew, The British Monarchy, British people, and American people who all strongly want to blacken us? ...

... How do you know and why are you sure?”

Could you figure out one of the reasons why pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people let foreign people all around the world learn the Thai language? 😞😞

Could you remember the truths which I told you in the topic “Who enticed who to commit the devil’s dirty plan? (7 October 2024)”?

It is because they all planned their plans at the start to ***tempt*** the other foreign people including judges and juries at every court of law into confusing between their lies and the truths by the questions ...

“How do you know and why are you sure?”
