***(Some foreign people whom Almighty told Me “They work the plan”)***

***(20 May 2025)***

Some foreign people whom Almighty or Allah told Me “They work the plan” are;

### **1) Elon Musk**

After I had bought 2 caps online in early 2025 and the caps had been delivered to Me, I went online and saw the news of Donald J. Trump and Elon Musk. In the news had a photo of Elon Musk wearing a cap. And Almighty or Allah told Me “Angie, the order which You bought the 2 caps was an order of Elon Musk to see You wear a cap like him!”

Another truth of Elon Musk;

After I had posted the topic “Lisa married” on My Website for the first time on 19 May 2025 in the afternoon, I took a rest on My bed and took My mobile phone to know what the time was. The screen of My mobile phone had a notification from Facebook “People You may know” and showed a photo like Elon Musk with the name “My Private Account”. So, I wanted to know who in the photo was. So that, I clicked on a button to open Facebook on My mobile phone to know who in the photo was. And I found that the photo was the photo of Elon Musk!

Later on, in the evening of the day, Almighty or Allah told Me “Angie. Elon Musk requested Mark Zuckerberg to send the account to You!”

I strongly believe that the account is not a true account of Elon Musk. But how do you think?

### **2) Frank Caprio**

After I had admired judge Frank Caprio for a moment and had followed him on Instagram, I noticed that he posted some odd posts. Meaning of the posts such as “You should mercy people in your family” So, I saved the post in folder “evidence” on Instagram. I also captured the post by My mobile phone. And once, while I set up a folder “Frank Caprio” to save his other posts, the system did not allow Me to save by the name “Frank Caprio” but “Frank CapriO”!

Before I typed this topic on 20 May 2025 at around 9:30 am, while I had brushed My Teeth and had washed My Face in My bathroom at around 9:15 am, Almighty or Allah had told Me “Frank Caprio works the plan too. He decided to work the plan because he believed “Because of my role, so Angie will not definitely know the truth of mine!””

How do you think?

And

3) Max Foster

Before the middle of 2024, Max Foster was one of My suspects who work the plan. But from the middle of 2024 to 19 May 2025 in the afternoon, I hesitated “Or Max can reform himself?” So, from early 2025 to early May 2025, I gave “like” to his stories and his posts which he more frequently posted on Facebook.

Whereas, on 19 May 2025 in the late afternoon, I saw his story which was about prostitute Camilla Parker Bowles whom I truly abhor. After that, The Holy Spirit in My Soul fast told Me “Did You see that after You started to be friendly with Max for a moment, he fast continues following their plan?”

How do you think?

...

Almighty or Allah requested Me to spotlight on the truth again: “Angie. ***There is a big group of foreign people whose natures are like natures of all Thai people!***”
