

## ***How do you think about The Father's Teaching Method?*** ***(15 December 2024)***

*(I did not bold any words in the content as I truly want you to read all the document.)*

If you ever listen to the song "Rehab" sung by Amy Winehouse, you will know that when the song passes around 39 seconds, Amy pronounced "Cause Kay nothing, it's nothing You can teach babe. I can learn from Mister have the way ..."

So, shall we carefully consider about The Teaching Method of The Father Almighty or another name is Allah;

1) At the start, The Father Almighty or another name is Allah told pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family only "In the end, you and your all henchmen will kill one another".

However, because they were afraid that their lies were not credible for good Buddhists who knew the teachings of Buddha about "Law of Karma" "Cause and Reason" and "How to conquer sufferings", and all good foreign creative people who knew the truths and strongly want to speak the truths out, so they used The Voice of The Father for mixing their lies in the truths which The Father told them only "In the end, you and your all henchmen will kill one another" to make their lies about "the end of them" credible, worthy, and amazing to wait for until their lies about "the end of them" especially the end of their henchmen whose wickedness are stand out, are "full of bloods and disasters".

The Father who strongly loathes liars patiently waited until they finished lying their lies to their targets. Then, The Father made an agreement with them "When Christmas Day 2024 comes, everything will be as your lies, okay?"

At that time, they mockingly and funnily agreed with The Father because;

(1) They did not believe the teachings of Buddha who is their own Prophet, about "Law of Karma".

(2) They strongly believed "Angie will have died before Christmas Day 2024 will come surely. Thus, "No bearing of fruit!" or "No karma!"

And

(3) At that time, they arrogantly were in high-spirits to have the power to order The Father. As a result, they all who have much knowledges of the beliefs of all religions, forgot "The Father just says to make it happen as He wants!"

The Father told Me “Angie, I have periodically warned them “Do not do wickedness. “Bearing of fruit” or “Law of Karma” is real”” But they did not believe Me!”

Now, Christmas Day 2024 is coming soon, and everything has happened as their lies since they could order The Father and used The Voice of The Father for lying their lies to their targets. Hence, they could forecast what else is happening to them and their all henchmen especially their all henchmen whose wickedness are stand out. ...

... Do you think how The Teaching Method of The Father is? 😊😊

2) The Father planned His Plan at the time He created the world “In the end, We and their all victims will use process of law especially process of Sha-re-ah Law of Muslim Courts to fight against them. And We will let everyone in the world see hell and the eternal flame in The Eyes of Angie and feel hell and the eternal flame in his dreams to let all humans who are good and who can reform themselves go into “Process of Redemption””

Therefore, The Father had warned everyone before he decided to join the plan “Do not join the plan. “Bearing of fruit” or “Law of Karma” is real. If you joined the plan, you would be responsible for your crimes, felonies, sins, and mortal sins in the end”. After that, The Father let him make a decision by himself.

Because to help everyone to see “Bearing of fruit” especially “Bearing of fruit in this life” is One of My Main Missions, so The Father has helped Me to be able to bear the severe torments until Christmas Day 2024 comes.

Therefore, because they laid the lies about “The end of the test” each 24 years to help them to have full of confidence “Angie will have died before Christmas Day 2024 will come surely ... Thus, “No bearing of fruit!” or “No karma!”” and because they and people who decided to work the plan have strongly aimed “We must do a huge number of crimes, felonies, sins, and mortal sins before to prove against The Father “No bearing of fruit!” or “No karma!””, so when Christmas Day 2024 comes, the people who decided to work the plan especially their henchmen whose wickedness are stand out, participated with them to offense a huge number of crimes and felonies and to offend a large number of sins and mortal sins!

Now, Christmas Day 2024 is coming soon. And the process of law especially the process of Sha-re-ah law of The Muslim Courts are ready to serve their all victims. Hell and the eternal flame are also ready to get all people who work the plan but cannot reform themselves to die in their merciless torments forever too. ...

... The Father is being The Best Witness for their all victims at every court of law especially at The Muslim Courts, and The Father is letting everyone see hell and the eternal flame through My Eyes and feel hell and the eternal flame in his dreams after people who decided to join the plan have done a huge number of crimes and felonies and a large number of sins and mortal sins! ...

... The Father told Me "I warned them all!" ...

... Do you think how The Teaching Method of The Father is? 😊😊

The Father told Me on 15 December 2024 at around 2:20 pm "Angie, I sent You to teach. But they do not strongly want to let You teach. So, let Me teaching them before!" 😊😊
