

How one of their plans to run away from their felonies and crimes is?

(9 February 2026)

(Please read them all.)

I would like to underline one of their plans to run away from their felonies and crimes;

All the parties of Thailand are henchmen of pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, and their all consultants.

But some parties such as “People’s Party” and “Pheu Thai Party” **are assigned to dramatize** to be the opposite side of them.

And in the future, if the parties that **are assigned to dramatize** to be the opposite side of them, and/or the parties that **are assigned to dramatize** to stay in the middle, are not the leader of the Thai government, they will be authorized by the Thai government to prove the truths of pimp king Bhumibol, prostitute queen Sirikit, and all the members of the satanic Chakri dynasty.

After they will have **dramatized** to prove the truths of pimp king Bhumibol, prostitute queen Sirikit, and all the members of the satanic Chakri dynasty, their **lies** will be;

“We thoroughly checked all the properties, the way of all the money, and the way of all the properties of pimp king Bhumibol, prostitute queen Sirikit, and all the members of the satanic Chakri dynasty, but no abnormal found as The God and Angie have accused them. ...

... We had meticulously searched king Bhumibol and queen Sirikit every palace and everywhere in Thailand, but the truths which can be proved by our hard and scrupulously works are that both our former king and former queen really mourned. ...

... And princess Bajrakitiyabha was really shock and has really admitted in a hospital ...

... Everything is not as The God and Angie has told foreign people!”

To succeed in their **lies** for **fooling** Me and the foreign people including judges and juries in every court of law, some singers such as “Leona Lewis” and “Spandau Ballet” are assigned to sing some cheat songs such as “Bleeding Love” and “Round and Round (Remaster)”.
