(Please read them all.)

Almighty or Allah told Me;

“Angie, You forgot to tell foreign people some truths.

Angie. You told the foreign people;

“In the future, if the parties that **are assigned to dramatize** to be the opposite side of pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, and their all consultants, and/or the parties that **are assigned to dramatize** to stay in the middle, are not the leader of the Thai government, they will be authorized by the Thai government to prove the truths of pimp king Bhumibol, prostitute queen Sirikit, and all the members of the satanic Chakri dynasty.

After they will have **dramatized** to prove the truths of pimp king Bhumibol, prostitute queen Sirikit, and all the members of the satanic Chakri dynasty, they will **lie** to the foreign people;

... We had meticulously searched king Bhumibol and queen Sirikit every palace and everywhere in Thailand, but the truths which can be proved by our hard and scrupulously works are that both our former king and former queen really mourned. ...

... And princess Bajrakitiyabha was really shock and has really admitted in a hospital” ...

... Angie, You forgot that the opposite side of them **can be assigned** to be the opposition party to prove the truths of them. And You forgot to tell the foreign people that if they do not lie to the foreign people that the mourns and the shock are real, they will send **fake** pimp king Bhumibol and **fake** members of the satanic Chakri dynasty abroad instead of sending real pimp king Bhumibol and real the members of the satanic Chakri dynasty abroad. But they will **lie** to the foreign people “The people whom we sent are not fake people. They all are real people!””
