

How they have run the devil's dirty plan abroad?

(12 January 2026)

(Please read them all.)

Pimp king Bhumibol, all the members of the satanic Chakri dynasty, and the Thai military started their devil's dirty plan abroad when the Thai military began establishing friendly relations with the American military.

Pimp king Bhumibol had assigned high-level Thai soldiers to talk about the plan to high-level American soldiers before letting the high-level American soldiers entice the US government, the UK military, the militaries in Europe, and the militaries that were allied to the US military to work the plan.

And the militaries of these countries were assigned to entice their governments to work the plan.

Pimp king Bhumibol and all the members of the satanic Chakri dynasty did not reveal themselves that they all are the leaders of the devil's dirty plan to these co-workers until the end of November 1999.

...

Pimp king Bhumibol and prostitute queen Sirikit visited the US, the UK, and Europe in 1960 to observe "How could we do in these countries?"

JFK was good. Therefore, after he had known what the devil's dirty plan had been, he refused to join the plan. So, pimp king Bhumibol, all the members of the satanic Chakri dynasty, and their co-workers in the US government sent wicked women such as Marilyn Monroe to seduce JFK to work the plan, but did not succeed. As a result, Marilyn was assassinated on 4 August 1962 as she had known about the plan "more necessary", and JFK was assassinated on 22 November 1963 while he was holding the position the US president to blacken King Charles and The British Monarchy. But people all over the world thought "JFK was assassinated because he tried to support African-American"

It means that all the US presidents who "were elected" after JFK had been assassinated agreed to work the plan all!

And it was started to have "Hippies" in the US in 1967!

Pimp king Bhumibol has kept his power by letting his wife, his daughters, and his nieces to have sex with soldiers.

Pimp king Bhumibol and prostitute queen Sirikit let prostitute Ubolratana Rajakanya marry Peter Ladd Jensen who is an American in 1972 and spend her marriage life in the US from 1972 to 2000 to have sex with foreign men to entice the foreign men to work the plan later.

Could you remember I told you that the real father of prostitute Ployailin who is the eldest daughter of prostitute Ubolratana Rajakanya is Spanish? So, could you guess what occupation of the Spanish is? And what has happened in the Spanish military and the Spanish government?

Peter Ladd Jensen is a businessman. Hence, his society is very wide. Thus, he is assigned to entice many kinds of foreign people especially foreign businessmen to work the plan.

Two of their co-workers who started working the plan before 2000 long time ago, are Donald J. Trump who thought “Working the plan is good because people welcome me wherever I go!” and founders of the brand “Nine West” who thought “Working the plan helps me to have a business!” and “My business is a business of king Bhumibol!”

Pimp king Bhumibol, all the members of the satanic Chakri dynasty, and their American co-workers use one of the ways of the plan which is enticement many people to sell drugs by marriage. They assign their henchmen to marry some superstars such as assigning Bobby Brown to marry Whitney Houston and to entice Whitney to take drugs. The Father Almighty or Allah told Me one of their thoughts “Whitney wants to tell the truths to The Kid and The Children. Hence, we have to make her addict drugs before!”

Anyway, pimp mha Vajiralongkorn studied soldierlike subjects in Australia and the UK. So, could you guess what has happened in these countries?

Could you notice that Andrew Parker Bowles and Camilla Parker Bowles are a high-level English soldierlike family?

Princess Diana was assassinated in France where has Interpol and there were Thai police officers working for Interpol. The French military are also one of the alliance militaries of the US military.

The Father told Me “Angie, after Mommy Diana had been assassinated, pimp king Bhumibol loudly laughed at The British Monarchy and most of foreign people by his thought “เดียวโลกนี้ก็เป็นของเรา” or can be translated in The English Language “Soon, the world is belonging to me!”

...

Because most of the Thai king's councilors were soldiers, so did you figure out why the councilors and high-level Thai soldiers have helped pimp king Bhumibol and all the members of the satanic Chakri dynasty to continue running the plan and to find excuses?

Because I told everyone: Good monarchs keep tabs on Their governments what Their governments do for Their beloved citizens and Their beloved countries, so before 2000, the UK and the countries in Europe where have The Monarchs were tidy, prosperities, and civilization, so one of their excuses for the much dirty society of Thailand is “King Bhumibol has devoted himself for the agricultural part of Thailand but let the Thai government manage the other parts!”

...

Pimp king Bhumibol, all the members of the satanic Chakri dynasty, all the Thai people, all evil foreign people, and their co-workers hate the good. So, if The Father did not send His Kid, His Children, and His People to be born, all the good, regardless of age: kids, children, teenagers, young adults, adults, and elders would face the plan which The Father told Me “แผนของพวกมันนะ ไม่มีใครทนได้หรอกนะ คนที่ทนได้ มีแต่หนุ! (มีแต่หนุที่ทนได้!)” or can be translated in The English Language “Angie, nobody can bear their plan, but only You!”, so as to change the good to be the satanic like them, lose his virginity, addict drugs, suicide, and last, die in Hell and Fire with them! ...

... Have you ever read the book “Go Ask Alice”? And did you see the rate of suiciding in Japan as an example?

By the way, the rate of suiciding in Thailand is not high the same as the rate of suiciding in Japan because all the Thai people are born to be so very much satanic. So, they all do not hate their own friends and do not need to change anything of their own friends!

All I told you earlier are the truths about how they have run the devil's dirty plan abroad!

Notes: After you had read this topic until this line, you knew whose the devil's dirty plan, and you knew who else is really behind the scenes of the US government, the US military, the UK government, the UK military, the governments and the militaries of the countries in Europe, and the governments and the militaries of the countries that are alliances of the US government, the UK government, and the governments of the countries in Europe.

So, could you figure the truths out that The World is separated to be 2 big sides by pimp king Bhumibol, all the members of the satanic Chakri dynasty, and the Thai military, and the wars occurred after 1960 are because of pimp king Bhumibol, all the members of the satanic Chakri dynasty, and the Thai military?

Just only wicked western citizens have a chance to be soldiers, politicians, and government officers. Is it fair to judge that all the western people starve the wars to sell arms and all the western people including babies, kids, children, and teenagers should be terrorized and/or should be under a war? ...

... Once again: Pimp king Bhumibol, all the members of the satanic Chakri dynasty, and the Thai **military** started their devil's dirty plan abroad when the Thai **military** began establishing friendly relations with the American **military**. ...

... Did My all Muslims and foreign people who are called "terrorists" because they want The World to be better see how much plenty of the western people in each country in the west who protest the wars against their governments, are? ...
