

How to judge between right or wrong, and a moral or a sin before doing?

(6 January 2025)

(I did not bold and did not colour any words because I would like readers to read all the documents and think over.)

Before you will do something especially a secret deed in a secret place, ask yourself 3 questions before doing “If others especially the good know the deed, how will I feel?” “Will I be brave to accept the deed to the others especially the good?” And “After I will have died, will I be brave to accept the deed in front of Hell and The Eternal Flame?”

If you answer yourself “I will feel shy” “I will not be brave to accept the deed to the good” and “I will not be brave to accept the deed in front of Hell and The Eternal Flame”, do not do the deed. Because you are telling yourself along with accepting “The deed is wrong and/or a sin or a mortal sin!”

A case is that a deed of a foreign person who is assigned by pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and high-level Thai authorities to help pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, and Thailand to alibi and to blacken Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, British people, the UK, and Their alliances, is right or wrong, and a moral or a sin?

The foreign person really knows himself that he knows who else is the real felon, or not. So, the foreign person has to ask himself “If other foreign people especially the good know “I help the real felons by lying to others and blackening the innocent people”, how will I feel?” And “Will I be brave to accept “I laid the lies to help the real felons to run away from being convicted of their crimes and felonies and to blacken the innocent people” both to the other foreign people especially the good and in front of Hell and The Eternal Flame?”

If you will feel shy and will not be brave to accept your deeds to the other foreign people especially the good, do not do the deeds. Because you are telling yourself along with accepting “My deeds are wrong!” And could you tell yourself by your just mind “Is to “blacken” “innocent” people a moral or a sin?” If you still cannot answer but you will not be brave to accept your deeds in front of Hell and The Eternal Flame after you die, you are telling yourself along with accepting “My deeds are a sin and/or a mortal sin!” Another crucial truth is that reporting the lies to a police officer and/or a judge is not only wrong and the sin or the mortal sin but also illegal as an offence of criminal law! ...

This process may not work for people who have very thick faces and/or are so very much wicked 😊😊.

However, although nobody can catch up any of your deeds in this life, you yourself, The Father Almighty or another name is Allah, The Daughter and The Son, The Holy Spirit, All Gods, All Goddesses, Heaven, Purgatory, Hell, and The Eternal Flame really know what else you have done. And although ones can run away from his guilt in this life by his lie and his trick, nobody can run away from cold-blooded torments in Hell and The Eternal Flame!
