

I am not changed. ... I fight!

(2 May 2025)

(I wrote these truths from 1 May 2025 to 2 May 2025, and posted on My Website on 2 May 2025. I corrected them and reposted on My Website again on 3 May 2025.)

Many foreign people including many “rhinoceroses” may doubt “At the beginning, when Angie was bullied or was persecuted, she cried only. Why now, Angie is good at scolding and fighting against other people? Or Angie is changed?”

I would like all the foreign people who have doubted “Or Angie is changed?” to know that ***I am not changed, but you never know My behaviours and habits before 2000.***

Before 2000, when other people looked for a problem at Me and/or bullied Me and/or persecuted Me, I Myself went straight on to ask them “Do you have a problem with Me?” “What problem else do you have with Me?” and/or “Why did you treat Me like that?”

I did these to ***everyone*** who looked for a problem at Me and/or bullied Me and/or persecuted Me including all the members of Ad-harn family ***even though*** I really knew that they are 3rd from the top of the Thai police drug-selling gang!

My main thought is “You are a human. I am a human. I never commit any crimes or any felonies. I never do anything bad to you. You have no right to treat Me like these!”

But the responses from all the other people who started to look for a problem at Me and/or bully Me and/or persecute Me were “I (or we) did not do anything bad to You. You are mad. You are crazy. You are a psychosis!”

I collected My experiences in natures of all the Thai people. Some of the natures are two-faced, love to be a backbite dog and groups of backbite dogs, love to stab into the backs of other people, love to look for a problem at other people especially the other people who have no way to fight against them, and love to offend wrongdoing, but they never accept any of their wrongdoings even though they are caught red-handed, with the result that I learnt what their reactions would be if I fought against them “face to face”!

But I never be a backbite dog. I never stab into any backs of other people. As a result, I learnt to be patient and did not do anything to all the backbite dogs in that I thought that it was not useful to fight against people who “shamelessly dare” to “bark and bite” only behind My back!

So, after I had graduated from Thammasat University in 1997, I was not talkative but shut My mouth up and let people who looked for a problem at Me and/or bullied Me and/or persecuted Me offended Me until I could not bear.

From 1990 in which I was 14 years old to before 2000, when I was so stressed by people who are outside My Home, I had My "Real" Parents and My Own Bedroom to rely on and to heal My heart.

And when The Father Almighty or another name is Allah started opening My Mind in 2000, I was controlled to believe that I could not do anything. And at that time, I did not know that the main instigators who looked for a problem at Me, bullied Me, and persecuted Me ***24/7 even though I am The Only One in My Own Bedroom*** are not only Ad-harn family but also pimp king Bhumibol, prostitute queen Sirikit, and all the offspring of prostitute queen Sirikit. So, when I was looked for a problem at, was bullied, and/or was persecuted, the only one thing I could do was crying to release stress in My Mind because I did not have any chances to scold and/or to fight against anyone! ☺☺

(Now, I believe that at that time, I could not really do anything because I did not know that Prince William is My Real Soulmate. But if I knew, I could not still really do anything too because Prince William, The British Monarchy, Most of English people, and all moral Christians were fooled "This is a test", and all the Thai people pretended to know nothing because they all were afraid of I and My Parents would be able to gather much evidence to go out of Thailand and to sue them!)

Ad-harn family and all the Thai people who looked for a problem at Me and/or bullied Me and/or persecuted Me before 2000 knew what The Real I am, so there is a Thai song "ฉันก็สู้คน" (Chun-Gor-Suh- Kon) sung by Nicole Theriault released in 2000!

Did You see because I started to know that pimp king Bhumibol is one of the satans and the main instigators who has backbitten Me, in around 2013, after that, I started to know that prostitute Ubolratana Rajakanya, prostitute Sirikitiya, and all the offspring of prostitute queen Sirikit are a group of the satans and the main instigators who have backbitten Me too, ***so what have happened between I and them?***

All I explained earlier because I would like My All Alliances to know "I am not changed. I just show Some of My Real Natures which are "I do not look for a problem at others, do not bully the others, and do not persecute the others before. But do not do these to Me. At first, I do not involve with the shameless. But if the shameless does not stop, I fight ... not by ways of "a backbite dog who shamelessly dare to bark and bite only behind the backs of the others" but "face to face"!"
