

## ***I am really bored You*** ***(22 July 2024)***

Prince William, sir. From 15 July 2024 to 20 July 2024, I could not sleep all the nights.

Prince William, sir. On 17 July 2024, after I had written the topic “Rebels”, I could not sleep all the night. The Father Almighty told Me “It is because **Kate’s** order”

Prince William, sir. You are The Son of The Father Almighty, a prince, an heir apparent, and the future king of the UK. King Charles and Prince Harry are gods sent by The Father Almighty to do The Missions. And what statuses of King Charles and Prince Harry The Father Almighty sent them to be born to be? But **why** do You All strongly believe “I cannot do anything the same as all good foreign creative people and other good people”?

Prince William, sir. You are The Son of The Father Almighty, a prince, an heir apparent, and the future king of the UK. But what else are in Your brain? **Why** do You let pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, Kate, the harlots, George, Charlotte, Louis, and all Thai people especially Thai men severely torment Me and My Parents to pass on?

Prince William, sir. ***Why do You let Kate, George, Charlotte, Louis, and Thai men extremely torment Me and My Parents to pass over?***

Prince William, sir. For You, it is around 24 years. But for Me, it is around **34 years**. Prince William, sir. Thai drug-selling gangs have run their plans to make Me **addict drugs and suicide** since I was just **14 years old** and The Father Almighty told Me “Angie, **nobody** can stand to be alive under their plans”, so Prince William, sir. ***Could You forecast what situation else I had been faced each day since I was just 14 years old. And now, for Me, only 2 years I will be 50 years old.***

Prince William, sir. Or because I am the best, and the voice told You “Angie and Her Parents will not definitely pass over”, so the severe torments are the rewards for Me, My Natures, and My Parents? Prince William, sir. Even You **never** understand and sympathise how extreme torments “the best” have gotten. Prince William, sir. ***If “the best” is violently tormented like these, why must be “the best”?***

Prince William, sir. ***Before You believe “I cannot fire Kate and her children out of the positions and the palace, and cannot straight dial My mobile phone direct to Angie to talk to Angie”, have You ever tried to do it?***

Prince William, sir. *I understood. As a prince, so You lack of effort and do not need to try to use the principles 3P: Proclaim, Protect, and Provide to win the heart of any women. But I do not understand. As The Son of The Father Almighty, an heir apparent, and the future king of the UK, why Your heart is so tiny and fearful?*

Prince William, sir. I am bored You. Prince William, sir. I am really bored You.

But Prince William, sir. You are *The Only One* Man in the world who can bring Me fly to The Holy Home. Prince William, sir. If other men *could* bring Me fly to The Holy Home, I *would not definitely* wait for only You.

Prince William, sir. Love is about Our feelings. But for marriage, We *need to* use Our brain to carefully consider the opposite gender who will become Our spouse.

Prince William, sir. Around 25 years when passed proved that *if I marry You, I will not definitely be happy, and You will let Me and Our baby die because of the voice and Your religious beliefs.*

*So, Prince William, sir. In this life, We should separate from each other before. After The Father Almighty will have turned back the time to 1987, and Princess Diana will have come back to teach You how You have to treat Your Soulmate, We will return to spend Our lives together again.*

Prince William, sir. Since today, if I send My mind by video clips which talk to You, understand that I am helping other people to know the truths by the old video clips because *I really need help and the other people are smarter than You.*

Prince William, sir. I am bored You. Prince William, sir. I am really bored You.

However, Prince William, sir. *Do not forget to complete Your First Missions which are to help Me, My Parents, and My Group to go out of Thailand to fly to The Holy Home.*

Prince William, sir. After You and I will have arrived The Holy Home, Our relationship will be in the end *at once*. And You will be *free*. Prince William, sir. *No bond between Us anymore.*

Prince William, sir. Once again: If other men *could* bring Me fly to The Holy Home, I *would not definitely* wait for only You. ... Prince William, sir. I mean that *I have waited for only You because I need to wait for only You as You are The Only One Man in the world who can bring Me fly to The Holy Home.* ... Prince William, sir. *No bond between Us anymore.*

Prince William, sir. I am bored You. Prince William, sir. I am really bored You.  
But ***I need to wait for calling from You to survive from the violent torments.***

Prince William, sir. Waiting for ***is not*** about love, but ***it is about Our Missions.***

Thank you very much sir.

Goodbye.
