And

I truly love Prince William of The British Monarchy and Team Prince William

😊😊 I would like you to know that there are many brands that I am interested in but I still have not had any chances to try using those brands.

If I have a chance to try using those brands,
I will tell you more what Team of brand else I fell in love later 😊😊.

😞😞 But I do not accept brands that Thai people, South Korean people, and North Korean people are brand ambassadors and/or presenters, brands that belong to Thai people, South Korean people, and North Korean people, brands that made in Thailand, made in South Korea, and made in North Korea, and brands of LVMH! 😞😞

😊😊 Last, for Team Mr. Vigny 😊😊 ...

😊😊 I really want Team Mr. Vigny to produce tote bags for Me 😊😊...
... 😊😊 Team Mr. Vigny, sir ... I am waiting 😊😊 ...

With Love,
