

## ***I told you wrong*** ***(3 April 2025)***

I told you wrong.

I told you that separating a pair of soulmates are not illegal.

Whereas, The Father Almighty or another name is Allah told Me ...

... “Angie, because everyone has the right to have a liberty to do many things in his life such as a liberty to choose his spouse by himself, a liberty to marry his spouse as he chose, and a liberty to live his life with his soulmate without any torts from anyone, so separating a pair of soulmates are **both** Offences Of Tort of civil law **and** Offences Against Liberty of criminal law which sentences are about **not only** compensations and interests **but also freedom**. ...

... And ***Angie, You are not only as The Future Queen of the UK since 19 April 1987 but also as Allah’s Messenger since You were born on 19 April 1976!***”

After The Father had told Me, I could figure out that changing an appearance of the other person is **not only** Offences Of Tort of civil law because a criminal wrongfully offends the body of the other person **but also Offences Against Body of criminal law**. Therefore, everyone who order The Father to change the appearances of Mine, Prince William, Prince Harry, Prince Andrew, or anyone must be sentenced **not only** by compensating compensations and interests **but also by prison**. But what a judge of a criminal court will judge **an old offender** who changes Our Appearances **more than 20 years?**
