

***My message to everyone
(If world war 3rd occurs)
(18 February 2024)***

I heard the new “Numerous people all around the world started hoarding foods for world war 3rd” And I know some main reasons why all wicked leaders of all countries want world war 3rd to happen.

Besides the wicked leaders have worked the devil’s dirty plan with pimp king Bhumibol and the satanic Chakri dynasty, so they all have gotten shares from sin businesses such as arms trades, and besides their natures are like the natures of pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people, so they love to see other people get hurt, suffer, torment, bleed, and die, they all know that I, The Youngest Daughter of The Father Almighty or another name is Allah, whom The Father Almighty or another name is Allah concerns of the most, never approach any wicked people, so the wicked leaders led by pimp king Bhumibol and the satanic Chakri dynasty have run their plans to indirectly force Me to politely request them not to start the war or to stop the war. After that, the wicked leaders will ask Me for requesting The Father Almighty or another name is Allah to forgive them and not to send them to die in hell and the eternal flame forever.

The main wicked leaders who work the plan to indirectly force Me are Joe and Jill Biden, Xi Jinping, Vladimir Putin, and Gim Jeong-eun.

Because The Father Almighty or another name is Allah creates Me to have the natures like these to be the best example of how humans should be, so The Father Almighty or another name is Allah never want anyone to change My natures. But pimp king Bhumibol who is a satan, the satanic Chakri dynasty who all are devils, all Thai people who all are devils and sinners, and all evil foreign people including the wicked leaders who all are devils and sinners have tried to change My natures to be the same as their natures to laugh at and mock The Father Almighty or another name is Allah “Did not You see that Angie can be changed?” Some of their attempts are;

- 1) I never lie to anyone. But they have tried to change Me to be a liar.
- 2) I applaud other people who are good, better, or successful. But they have tried to change Me to envy other people.
- 3) I am honest. But they have tried to change Me to be tricky.
- 4) I am happy when I see lovers or a couple love each other. But they have tried to change Me to loathe seeing lovers or a couple love each other.
- 5) I never fake. But they have tried to change Me to fake.

6) I never think of any benefits before make friend with good people. But they have tried to change Me to think of a benefit before make friend with other people.

7) I never pretend. But they (by cooperation of the wicked leaders) have tried to change Me can pretend to be friendly for benefit.

8) I never approach the wicked. But they have tried to change Me can approach the wicked.

9) I never bow any wicked people. But they have tried to change Me to bow them.

10) I am fearless. But they have tried to change Me to be fearful.

11) I am brave to do the right. But they have tried to change Me to be coward to do the right.

12) I am always in a good mood. But they have tried to change Me to be always in a bad mood.

13) I am a calm girl. But they have tried to change Me to be an impatient girl.

14) I am the most optimistic girl. But they have tried to change Me to be a pessimistic girl.

15) I have not had any sexual emotions. But they have tried to change Me to have much desire of sexual activities.

16) I do not love eating meat. But they have tried to change Me to be a meat-lover.

17) I am grateful. But they have tried to change Me to think about heritage of My Parents.

18) I love giving a good thing to other people by not thinking of what else will be returned to Me but thinking of how happy the other people who get the good thing from Me will be. But they have tried to change Me to think of what else will be returned to Me before I will give a good thing to other people.

19) I am self-confident, and always feel confidence when I do the right. But they have tried to make Me lose My confidence.

20) I am tidy. But they have tried to change Me to be mess.

21) I am a disciplined person. But they have tried to change Me to be an undisciplined person.

22) I am diligent. But they have tried to change Me to be lazy.

23) My mind is "silent". But they have tried to change My mind to be "full of voice".

And

24) I am humble. But they have tried to change Me to be arrogant by thinking "I am a princess!"

Many of you have a child or children. So, if you were The Father Almighty or another name is Allah and somebody offended your little girl who was only 3 or maybe 4 years old and your boy who was 7 or maybe 8 years old the same as they all have offended Me and Prince William, how would you feel? And how would you judge them?

Because The Father Almighty or another name is Allah creates Me to have the natures like these to be the best example of how humans should be, so The Father Almighty or another name is Allah never want anyone to change My natures. So that, I would like to officially declare that I will not definitely talk to the wicked leaders or any wicked people even though world war 3rd are taken place!

If world war 3rd occurs, the wicked leaders themselves instigate their soldiers to attack others by their own evil decisions. Their orders are not commands of Mine or Prince William. So, whom must be convicted of war criminals who genocide: Me and Prince William, or the wicked leaders and their henchmen?

World war 3rd will be taken place or not, it is up to decisions of the wicked leaders. But I will not definitely talk to any wicked leaders not to start the war or to stop the war. Only My thought which I would like the wicked leaders to hear from Me is "I really would like the wicked leaders to be severely tormented to die in violent death by Sha-re-ah law of The Muslim World that one of the principles is that an eye by an eye, a tooth by a tooth!"

My Beloved Dad creates Me to have the natures like these, so do not try to change My natures because nobody can change My natures. And this year is 2024, so sooner or later, I and Prince William will be at The Holy Home.

Although I am The Youngest Daughter of The Father Almighty or another name is Allah, as The Only One Prophet of The Current Millennium, after I and Prince William will have been at The Holy Home, My Beloved Dad Himself will take The Responsibility to judge, not Me, Prince William, Jesus, Na-bee Mohammad, or other Prophets. And My Beloved Dad judges everyone individual by his own mind all his life.

Because I have thought the following thoughts in the Thai language, so I would like everyone who stands by The Father Almighty or another name is Allah, Me, and Prince William, but does not understand the Thai language to know that because one of the sentences in hell and the eternal flame for people who love to keep relationship with the wicked or love to do a sin and/or a mortal sin is that the people will be judged to be in the sea of solid waste and urine, so while the people are swimming in the sea, the solid waste and the urine will get into their eyes, mouths, and noses. ...

... Therefore, because pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people love to “force” Me, Prince William, gods and goddesses whom The Father Almighty or another name is Allah sent to do The Missions, and the good to get close wicked people and to do many things as their minds, so to practice pimp king Bhumibol, the satanic Chakri dynasty, the wicked leaders, and their important henchmen to bear the sentence in the sea, after they will have been in jails in The Muslim world, one of the torments they will get is that they will be “forced” to put solid waste and urine of their own companions in their mouths, and keep the solid waste and the urine in their mouths for a moment. How long to keep the solid waste and the urine in their mouths at a time will be The Responsibility of The Father Almighty or another name is Allah to judge!

I very loathe their disgusting ways to direct our world into the evil era, and their disgusting ways to change My natures. If world war 3rd occurs, I would like everyone who stands by The Father Almighty or another name is Allah, Me, and Prince William to be patient. Because I am The Youngest Daughter of The Father Almighty or another name is Allah, so I am also Allah’s Messenger of The Current Millennium. So that, deaths, bloods, torments, and sufferings of all innocent people all over the world will be paid back to pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people especially the wicked leaders by Sha-re-ah law of The Muslim World that one of the principles is that an eye by an eye, a tooth by a tooth, unavoidably! ...

... And before The Father Almighty will have turned back the time to 1987, Thailand which is the worst country and the leader of the plan, must be the same as Syria, Ukraine, Gaza, and every country where is lost by a war or a natural disaster before! ...

... My Beloved Dad is the most judge and hard-hearted. And nothing My Beloved Dad cannot do!

.....
