

If you are still clever enough (28 December 2024)

I would like all foreign people who join the plan but can reform yourselves to carefully consider again: One of the main reasons why you decided to join the plan is that you believed **the lies** of pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and many foreign people who work the plan with them “Believe us. Angie will have been violently tormented to die by us before 2024 will come surely. Thus, “no bearing of fruit” or “no karma”!” But **now, how many days after new year 2024 passed? And how many days after Christmas Day 2024 passed?** So, **why** do you still believe **their lies** “Believe us. If we succeed in helping one another to lie to other foreign people especially judges and juries at every court of law, “no bearing of fruit” or “no karma”!”?

And think over again: The situation has gone on like this, so **why** do you still believe **their lies** ““no bearing of fruit” or “no karma”!”? Did you see that the crimes, the felonies, the sins, and the mortal sins which pimp king Bhumibol, prostitute queen Sirikit, and all members of the satanic Chakri dynasty have done since they **were teenagers have been gradually revealed** since 2013? And the truths which have been revealed **have been extended to** the mother of pimp king Bhumibol, the parents of prostitute queen Sirikit, ancestors of all the Thai people, all the Thai men, all the Thai women especially many Thai women who told everyone “My husband is a western man”, and many of their co-workers too. So, **why** do you still believe **their lies** ““no bearing of fruit” or “no karma”!”?

Now, you all knew who The Father Almighty or another name is Allah is, and nothing He cannot do. So, I would like to underline the truths again: **One of the main reasons why The Father sent Me, Prince William, and A Group of gods and goddesses to be born in this world is that to help everyone to see “bearing of fruit” or another word is “karma” especially “bearing of fruit in this life” or another word is “karma in this life” as an everlasting truth.**

“Bearing of fruit” or another word is “karma” is “You reap what you sow” or it is called in the English language “What goes around comes around” or it can be explained to easily understand “Everything I do comes back to me”

“Bearing of fruit” or another word is “karma” is an immortally natural law. If you use one of your legs to softly kick a chair, one of your legs will be hurt softly. If you use one of your legs to kick the chair hard, one of your legs will be hurt hard. If you use both of your legs to softly kick the chair, both of your legs will be hurt softly. But if you use both of your legs to kick the chair hard, both of your legs will be hurt hard.

I mean that;

If you look down on, hurt, torment, and/or kill other, you will be looked down on, will be hurt, will be tormented, and/or will be killed in this life and/or in hell and the eternal flame. And if you have a chance to be born in the next life, you will be looked down on, will be hurt, will be tormented, and/or will be killed in the next life and/or in the next lives too.

And if you maliciously wish a person who never does anything wrong to you before, the malicious mind will rebound you in this life and/or in hell and the eternal flame. And if you have a chance to be born in the next life, the malicious mind will rebound you in the next life and/or in the next lives too.

I would like to spotlight the truths again: “Bearing of fruit” or another word is “karma” is an immortally natural law. If you use one of your legs to softly kick a chair, one of your legs will be hurt softly. If you use one of your legs to kick the chair hard, one of your legs will be hurt hard. If you use both of your legs to softly kick the chair, both of your legs will be hurt softly. But if you use both of your legs to kick the chair hard, both of your legs will be hurt hard. **An important truth is that the hurt may not be occurred at once, but you will feel numb before, and a bruise will be happened later and longer, right? And if you use your much power to kick the chair hard, you may be not only hurt but also have a wound, blood, and then, a scar from the wound which will be on your body until you die, right?** So, think twice: Since you were born, **how many times** you “have kicked the chair”?

Once again: Did you see that the crimes, the felonies, the sins, and the mortal sins which pimp king Bhumibol, prostitute queen Sirikit, and all members of the satanic Chakri dynasty have done since they **were teenagers have been gradually revealed** since 2013? And the truths which have been revealed **have been extended to** the mother of pimp king Bhumibol, the parents of prostitute queen Sirikit, ancestors of all the Thai people, all the Thai men, all the Thai women especially many Thai women who told everyone “My husband is a western man”, and many of their co-workers too. Another truth is that pimp king Bhumibol, prostitute queen Sirikit, and all members of the satanic Chakri dynasty **just have**

thought, but **why** tremendous innocent foreign people *know* “They are the *real* felons”? *Although their image is “the best”, could their image help them to be “the best” forever?* And *did you know how Sha-re-ah Law of The Muslim Courts punish defendants who are convicted of a crime or a felony?* So, **why** do you still believe *their lies* ““no bearing of fruit” or “no karma”!”?

Everyone must be responsible for his mind, his word, and his action. Do not think that nobody knows because at least, **you yourself**, The Father, all gods, all goddesses, heaven, and hell know!

Every Prophet said about “life after death”. And nobody is alive forever. But no one knows a day when he will die and how he will die, right? After you *lie* and a judge judges you not to be convicted of any crimes and any felonies because of *your lies*, the first second when you step out of an area of the court, you may be *heart attack*, or may be died by *a car crash*, or may be *shot to die by a psychosis patient*, right? And *have you ever seen cold-bloodedly torments in hell and the eternal flame?*

To easily understand that if hell and the eternal flame are real, why we cannot see them in this life? I would like you to contemplate: If you have a photo which you never see before and you turn the back of the photo to you, you will see only the colour of the back of the paper and maybe a brand of the paper, but you will not definitely see and will not definitely know what the photo is, right? However, there is the photo which you never see and never know its details at another side of the paper, right?

24 years which have passed help you all to know that The Father is real. If there is The Father, why there are not heaven, hell, and the eternal flame? And once again: Have you ever seen cold-bloodedly torments in hell and the eternal flame?

Therefore, if you are still clever enough, you will know what you must do.
