

If you were Me ***(4 June 2024)***

The Father Almighty told Me ...

... “Angie. Because pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people strongly want to deceive Will and Christians into continual waiting for, so Will and the Christians were **fooled** ...

... “In the end, it will be happy ending because Angie and Will will go out of The Holy Home to be the bride and the bridegroom in their wedding ceremony. People all over the world will come to England to join the wedding ceremony. In the wedding ceremony, The Prophets of all religions will attend and many miracles will be happened. And before I will turn back the time, Angie will have been pregnant too. ...

... By the way, in the period of the time from the satans and all evil people will be taken down to die in hell and the eternal flame to I will turn back the time, everyone will be happy with his new life also” ...

... So, Will and the Christians have looked forward to the happy ending”.

If you believe the story earlier, I would like you to carefully consider: You knew **what else** I and My Parents have been confronted for **24 years 24/7**. ***So, if you were Me, would you make a decision to take all high risks that I and My Parents may be severely tormented again and go out of The Holy Home?***
