

In addition to The Previous Topic (2)

(Please read them all.)

The truths which I want to add into The Previous Topic are;

Main reasons why pimp king Bhumibol aims to keep the lives of Ratchaneewan Ad-harn and her family until the last minute will come are not only to let them to help himself and his family: (1) To **lie to** the foreign people including the judges and the juries in every court of law **to excuse** and **to blacken** Queen Elizabeth, Prince Philip, King Charles, Prince William, Prince Harry, Prince Andrew, Prince Andrew's Family, British people, the UK, and their all targets to blacken until the last minute will come. And (2) To have **an excuse** "We did not kill Ratchaneewan and her family because they controlled us **not to kill themselves!**", but also to have **an alibi** to **tempt** foreign people who are their co-workers not into believing "Law of Karma" or another word is "Bearing of Fruit" not into quitting the devil's dirty plan as the work of the satans by **the tempted words**: "If "Law of Karma" or another word is "Bearing of Fruit" is real, while Angie, Her Parents, and Her Group Who came to help everyone to see "Law of Karma" or another word is "Bearing of Fruit", are being detained in Thailand, why people who were killed are not Ratchaneewan and her family who are the first group that enticed me and my family to continue running the plan and to kill Angie, Her Parents, and Her Group, and are not the notorious who has everything in his life because he is so very much satanic like me and my family and helps me and my family to kill Angie, Her Parents, and Her Group, but people who were killed are "small offenders"?"

To be reasonable **to keep** the lives of Ratchaneewan and her family, after Prince William will have called Me, Thai police officers will dramatize to arrest and send Ratchaneewan and her family **into prisons**.

As a result, once again: Because of the plan pimp king Bhumibol himself chose, so, many "small offenders" will have been killed before Ratchaneewan and her family will be killed. Therefore, what will happen after pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, their all consultants, and the Thai government will have needed to let Me, My Parents, and My Group fly with Prince William, Prince Harry, and Prince Harry's Soulmate to The Holy Home will obviously show "Law of Karma in this life" or another word "Bearing of Fruit in this life" to everyone.

Everyone will see one of the best examples of how different between when ones is powerful and when the ones is powerless are while "Law of Karma in this life" or another word "Bearing of Fruit in this life" will be working itself 😊😊😊😊😊😊.
