

In addition to the topic “Why do not they know Your religious beliefs?”

Will, let Me give an example of a henchman of pimp king Bhumibol and the satanic Chakri dynasty who got a scholarship from pimp king Bhumibol to study in the UK.

Will, the example is Charoen Wattanasin. He is a former badminton player from Thailand who won international championships in late 1950 and early 1960. He got scholarships from pimp king Bhumibol to study Business Administration at City of Liverpool College of Commerce, the UK, and Management, B.I.M. London, the UK.

Will, Charoen holds the position of Vice President at the Badminton World Federation since 2005 and at the National Olympic Committee of Thailand under the Royal Patronage of the pimp king of Thailand since 2003.

Will, Charoen has 1 daughter and 2 sons: Jittima Wattanasin, Jirayuth Wattanasin, and Jetrin Wattanasin. Both of his 2 sons studied at Bangkok Christian College where teaches The Bible and religious beliefs of Christianity, from kindergarten to senior high school.

Will, Jetrin, one of the sons of Charoen had sex with Jidapa Gina Na Lamliang and has one daughter, Jidarín Jayda Na Lamliang. Jidapa grew up in the US and Jidarín also. And Jidapa and Jidarín have spent their lives in the US since Jidapa was pregnant Jidarín.

Will, Jetrin married Kejmanee and have 3 sons together: Jakkapat Wattanasin, Jinjett Wattanasin, and Jakara Wattanasin. His all 3 sons have studied in the UK since they were boys.

So, Will, why does not the family of Charoen Wattanasin know religious beliefs of Christianity and thinking method of the white who is Christian?

Will, 2 examples of high-level Thai police officers who are henchmen of pimp king Bhumibol are Chaktip Chaijinda and Prakat Satamarn.

Will, Chaktip Chaijinda is in the Thai police drug-selling gang which Ad-harn family is the third from the top of the gang, but he is a former Commissioner-General of the Royal Thai Police from 2015 – 2020. Some of his educations which helped him to intimate with pimp king Bhumibol and the satanic Chakri dynasty, know thinking method of the white who is Christian especially the white who is Christian police officers, and know religious beliefs of Christianity are that he graduated from Armed Forces Academies Preparatory School in Class 20, same class with pimp king mha Vajiralongkorn. He studied investigation course in international post-blast

investigations at the International Law Enforcement Academy of Bangkok. He also took courses at the FBI Academy in Quantico in Prince William County, Virginia. And he passed the Counter Assault Team Course of the United States Secret Service too. Now, wealth of him and his spouse, Busba Chaijinda, altogether is around 983.3 million THB.

Will, Chaktip has 2 sons: Chanant Chaijinda, nickname Hut, and Chaitud Chaijinda, I do not know his nickname.

Will, Chanant graduated the secondary level from New Zealand. He got a master degree from Bournemouth University, England. He also passed FBI curriculums in the US.

Will, Chaitud got a master degree from the US. And he passed FBI curriculums in Nevada, the US too.

So, Will, why does not the family of Chaktip Chaijinda who intimates with pimp king Bhumibol and the satanic Chakri dynasty, knows religious beliefs of Christianity, knows thinking method of the white who is Christian especially the white who is Christian police officers, and knows how the white who is Christian police officers investigate and work?

Will, how about Prakat Satamarn?

Will, when I firstly met Prakat Satamarn who is in the Thai police drug-selling gang which Ad-harn family is the third from the top of the gang, He was a Police Major General. However, after Daddy Almighty had opened My Mind in 2000, and then Thailand had the project "Early retire", Prakat Satamarn had been appointed to be a Police Lieutenant General before joined the project "Early retire" when his age was around 55 years old.

Will, I know that the family of Prakat Satamarn also intimates with pimp king Bhumibol and the satanic Chakri dynasty because both Prakat and his spouse, Pa-ob-tip Satamarn, are descendants of an old family of royal Thai ancestors, and an article I read from going online told Me "When the son of Prakat and Pa-ob-tip was spiked by an African-American in the US, prostitute princess Chulabhorn Walailuk directly flew to the US to visit his son"

Will, because: (1) Prakat Satamarn and his spouse who are in the Thai police drug-selling gang which Ad-harn family is the third from the top of the gang, are descendants of an old family of royal Thai ancestors (2) The first group of missionaries came into Thailand in 1567 AD. And (3) Prakat passed FBI curriculums and was well-known for investigation, so why does not Prakat who intimates with pimp king Bhumibol and the satanic Chakri dynasty, knows religious beliefs of Christianity, knows thinking method of the white who is Christian especially the white who is Christian police officers, and knows how the white who is Christian police officers investigate and work?

Will, significantly interesting questions to think of are that after Daddy Almighty had just opened My Mind in 2000, why Prakat had been appointed to be a Police Lieutenant General before joined the project "Early retire" to resign from his work when his age was around 55 years old? And Will, what Prakat has done since he joined the project "Early retire" to resign from his work in 2000?

Will, did You understand that not only pimp king Bhumibol and the satanic Chakri dynasty know religious beliefs of Christianity and thinking method of the white who is Christian but also most of Thai people especially Thai people who are literacy?

And Will, I would like to question You again: Because if pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people let Me and My Parents fly with You and Brother Harry to The Holy Home, it means that the satanic Chakri dynasty will be overthrown, all Thai people will kill one another, all evil foreign people will kill one another, and Thailand will be in wars both from inside and from outside, so if You were them, why would not You use knowledges of the beliefs of Christianity, knowledges of thinking method of the white who is Christian, knowledges of the beliefs of each of Your targets, and an answer from Daddy Almighty for the question "Now, what each of our targets is thinking?" to trick You, all people in Your Group, and foreign people especially British people not into start to help Me to go out of Thailand to fly to The Holy Home, but to continual waiting for ***so as to run away from killing one another, and so as to succeed in alibiing and in blackening Queen Elizabeth, Daddy Charles, You, Brother Harry, The British Monarchy, and British people?***
