

Is it because “The Miracle of The Holy Spirit”?

(27 March 2026)

(Please read them all especially at the second part.)

Today is 27 March 2026.

I was woken up so early but I felt that I have Power to write the truths I had not typed on My MacBook Pro for Many Topics.

I felt a little astonished because many days before today, I was woken up so late (at around 9:00 am). But today, I sat in front of My MacBook Pro to type The First Topic of today before 7:15 am!

The First Topic of today I wrote was “Some truths of Lisa Blackpink”

The Second Topic of today I wrote was “Once again (2)”

The Third Topic of today I wrote was “Some truths of Tourism Authority of Thailand, Lisa Blackpink, and all the Thai people”

The Fourth Topic of today I wrote was “My Message to Prince William, King Charles, and Prince Harry (I will not tell some truths to The World on My Website definitely!)”

And The Fifth Topic of today I wrote was This Topic: Is it because “The Miracle of The Holy Spirit”?

However, to help The Topic of yesterday which was “Once again” and The Topic of today which was “Once again (2)” to continue smoothly, I posted The Second Topic of today I wrote on My Website before The First Topic of today I wrote.

The Two Topics about “Lisa Blackpink” were posted on My Website in the morning.

Whereas, at around 4:30 pm, I cursorily saw a piece of the news from Line application. The news was about “Today is the birthday of Lisa”. At that time, I thought “The news must be reported after her birthday passed completely”. But I felt a little doubt “When was Lisa’s birthday?”

After that, at around 4:45 pm, I felt that I needed to know “When was Lisa’s birthday?”. Therefore, I used Google Search on My mobile phone to know the birthday of Lisa.

And Google Search told Me “Lisa was born on 27 March 1997!”.

You will know what Almighty recently told Me about Lisa by reading The Two Topics of today. But a truth I want you to know now is that I noted the truths of Lisa which Almighty had told Me around 20 days before writing the truths and posting the truths on My Website on today which is 27 March 2026 as her 29th birthday! ...

... Is it because “The Miracle of The Holy Spirit”?

Although Almighty has His Plans for **only** His Children and His People Whom He sent to This World to do His Missions (I mean that Almighty does not have Any Plans for others who **are not** His Children or His People. What else will happen in the others’ lives is up to “their own fruits” or another word is “their own karmas”), **I really think that the opposite of Us let Me write The Topics about Lisa and posted The Topics on her birthday, and let Me write This Topic too to show to foreign people especially the believers “The God has His Plan for Angie” to tempt the foreign people especially the believers into believing “Because The God has His Plan for Angie, so He will give The Big Birthday Present to Angie. Thus, He controlled us to agree an agreement which was we will let Prince William call Angie on Her Birthday in 2026 (or maybe on Prince William’s Birthday in 2026, or maybe sudden calling (Nobody including I has not known all the agreements))**

After I told you the story and My Thought,

do you think is it because “The Miracle of The Holy Spirit”?
