

Just think twice

(8 May 2024)

Will, I am The Daughter of Daddy Almighty and Your Soulmate. But why did Daddy Almighty send Me to be born as a Buddhist in Thailand? Why did not Daddy Almighty send Me to be born as a Christian in the UK?

Will, I told You many times “I was born as a Buddhist in Thailand **to know** many essential truths which Christians and Muslims have never known such as when the end of the world will come or when Jesus will come to judge the living and the dead, and to wait for You, Daddy Charles, Brother Harry, The British Monarchy, and British people **to take Me Home where is the UK**” ... Will, did You agree with Me?

Will, the following question is that I do not want to be a princess or a queen. But why did Daddy Almighty send You to be born as an heir apparent who are The Future King of the UK?

Will, I told You many times “You were born as an heir apparent who are The Future King of the UK to readily have everything **to save** Me and My Parents from pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, and all evil foreign people **by helping** Me and My Parents to fly to The Holy Home” ... Will, did You agree with Me?

Will, the next question is that did You figure out why a woman was disappeared from an airport? There are many places where reporters report the news. There are many places where have cameras. But why the woman was disappeared from **the airport**?

Will, why pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people have worked together to continually detain Me and My Parents in Thailand? Will, **it shows that if they let Me and My Parents go, there will be something they do not really want to happen to them, take place, right?**

Will, I told You many times: After You will have succeeded in helping Me and My Parents to go out of Thailand to fly with You and Brother Harry to The Holy Home, the process of law will make them bear their own abundant bad fruits by **killing one another** ... Will, once again: Why they have worked together to continually detain Me and My Parents in Thailand? ... Will, did You believe Me that if they let Me and My Parents go out of Thailand to fly with You and Brother Harry to The Holy Home, the process of law will make them bear their own abundant bad fruits by **killing one another**?

So, Will, *did you figure out why the voice always tells You to do oppose to My requests?*

And Will, as My Soulmate, were You mature to know what an English gentleman *has to* treat his own soulmate? 😊😊

So that, Will, are You ready to be the best example of how a gentleman *has to* treat his own soulmate? 😊😊
