

More truths about their lies (28 November 2024)

I told you their basic lies about the end of their all alliances in the previous topics. However, on 28 November 2024 at night, The Father Almighty or another name is Allah reminded Me of more truths about their lies which The Father has told Me since the middle of November 2024 to tell you;

“Angie, pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family could not thoroughly lie details of the end of their ***all*** alliances. So, they chose to meticulously lie details of “full of bloods and disasters” of ***their important alliances and their alliances whose wickedness are stand out to public especially who also became eminent and/or world-wide famous!***”

I will not tell you examples of the alliances that The Father gave Me. But ***you can consider by yourselves who else is in the group of their important alliances and their alliances whose wickedness are stand out to public especially who also became eminent and/or world-wide famous ... 😊😊.***
