

More truths of King Jigme and the Bhutanese people (31 March 2025)

On 30 March 2025 at night, The Father Almighty or another name is Allah told Me more truths of King Jigme and the Bhutanese people;

1) “Angie. Jigme has ordered Me since he was around 18 to 19 years old. He himself enticed the Bhutanese people to work the plan. And now, he is good-looking but Will is ugly because of the order of him, the Bhutanese people, and their co-workers!”

2) “Angie. The Bhutanese people are wicked, envious, and tricky the same as all Thai people. So, The Bhutanese people wish You maliciously. They know what Jigme and his family are. So, they think “Angie is The Best and Worldwide Famous. Hench, She must marry a man like King Jigme. Thus, She will feel anguished all Her Life!” ... Angie, You do not know how people who want to be famous but not famous, envy people who are famous!”

3) “Angie. The reasons why all Thai people want You to marry pimp king mha Vajiralongkorn are the same as the reasons why the Bhutanese people want You to marry Jigme!”

4) “Angie. Jigme and the Bhutanese people are a part of wicked people who have tormented Your Parents to pass on. Because they think “If The Parents of Angie are died, Angie will look for another man instead of waiting for Prince William!””

5) “Angie. Jigme and the Bhutanese people have worked with pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers to order Me to make many countries in Europe both the countries that have kings and the countries that do not have any kings to be like “slums”. It is because they think “What if Angie is interested in a European King?” ...

... A main reason why they have ordered both the countries that have the kings and the countries that do not have any kings, is that they are afraid of You can catch up their minds which is “What if Angie is interested in a European King?”. As a result, they have ordered both the countries that have the kings and the countries that do not have any kings to be their alibi!”

And

6) "Angie. Most of the Bhutanese people do not know what You tell foreign people in The English Language. But they have ordered Me to tell them what else You have told the foreign people!"
