

## ***My Message to Prince William***

***(Better)***

***(24 January 2026)***

***(Please read them all.)***

Good afternoon, sir. Will and Daddy Charles. And good morning, sir. Harry.

Will, Daddy Charles, and Harry, sir. Today, I need to straight talk to Will;

Will, I am The Only One Latest Prophet of The Current Millennium. Will, Oxford Languages defines the word "Prophet": A Person regarded as An Inspired Teacher or Proclaimer of The Will of God. So, Will, because dad do not happen to us and dad cannot happen to us, Will, I mean that because Daddy Almighty do not happen and cannot happen to us, so Daddy Almighty wants everyone to listen to and follow Me.

Will, I have been continually buried the marriage life of You and Kate in My Mind since I started to know that You are My Real Soulmate.

Will, once again: You can feel how My heartbreak have continually been when I think of the wedding ceremony of You and Kate especially the kissing of You and Kate on that day. And Will, You can feel how My heartbreak have continually been when I think of the marriage life of You and Kate. Therefore, Will, although 29 January 2026 is not 29 April 2012, I do not really want the date 29 become Our any momentous time in Our Love Life.

Will, the feelings of a nice lady are more sensitive and more fragile than the feelings of a nice gentleman. And Will, nobody can make the deepest heartbreak scar in the heart of a nice lady but the man she truly loves.

Will, the wrongs of Mommy Diana were She did not tell Daddy Charles what had happened to Her and how she had been felt. But I Whom You have jockeyed the meaningful love songs for almost every night have told You what I have continually felt and what I really want. So, Will, please do not let Our Love Life follow the way of the marriage life of Daddy Charles and Mommy Diana.

As a result, Will, if You want Our beginning to be beautiful, please do not call Me on 29 January 2026. Will, 30 January 2026 is Okay 😊😊😊😊.

Will, on 30 January 2026 in the morning, I am going to Central World to have lunch because I do not want to anxiously wait for calling from You at My Home alone, and after You will have called Me, it will be difficult for Me to have cups of mushroom cream soup and dishes of salad bar at Sizzler. It does not mean that I am not waiting for calling from You 😊😊😊😊.

Will, 1 day later is better than You Yourself bury the deepest heartbreak scars in My Heart forever, right?

😊😊 Will, I am waiting for calling from You on 30 January 2026. And Harry’s Soulmate is waiting for calling from Harry on 30 January 2026 too 😊😊.

😊😊 Will, Daddy Charles, and Harry, sir. I and Harry’s Soulmate are waiting 😊😊.
