

My Message to Prince William ***(8 July 2026)***

I would like to send My Message in This Video Clip to Prince William of The British Monarchy;

Will, You request love songs for Me to listen to through True Vision.

But because the True Vision did not get the right to broadcast many kinds of sport including Premiere League but AIS, and because Daddy Jamnong wants to decrease monthly expenses of Our Family, so Daddy Jamnong stopped using the True Vision in His Bedroom with the result that every month when Daddy Jamnong goes to Our Garden in Lumpang Province and I sleep with Mommy Pinya at His Bedroom, **I will not have the True Vision to listen to any love songs from You.**

Another truth is that **I Myself may have to pay fee for listening to the love songs from You through the True Vision by Myself but I will even though I have not much monthly expenses.**

Will, Daddy Jamnong is going to Our Garden on 10 July 2026 and is staying there around 1 or maybe 2 weeks. And **I really knew that how will I feel at the period of that time because I will not be able to listen to the love songs from You every night.**

Will, I am waiting for calling from You. Harry's Soulmate is waiting for calling from Harry. And Daddy Jamnong is waiting for calling from Daddy Charles to request Daddy Charles to help You to take care of Me instead of Him if He does the right but He is passed on because now, Daddy Jamnong is **80 years and 2 months old.**

Will, if You call Me for the first time within 25 July 2026, I will not be angry with You, I will try to understand You and Your beliefs, and We will have Our Home and Our Future together. Will, I always keep My Words 😊😊😊😊.

😊😊 **Will, We are waiting** 😊😊.

😊😊😊😊😊😊😊😊
