

My Message to The Three Lions

(19 July 2026)

*(Because I was born on 19 April, so This Message was sent **3 months later** from My Birthday 2026 😊😊😊😊. Please read it all 😊😊😊😊.)*

Hi, everyone. I am not good at say. I am not talkative. And I never make any speeches. But I will try to help everyone to know how I have felt about the victory of The Three Lions in the FIFA world cup 2026 😊😊😊😊;

Actually, every team who passes qualification rounds of the FIFA world cup is cool. Because of that, it is not easy to pass to the semi-final round of the FIFA world cup. But The Three Lions could do 😊😊😊😊.

In fact, I do not really like number 6. But the 6 goals of The Three Lions in the FIFA world cup 2026 have made Me feel a little good with the number 6 because the 6 goals of The Three Lions have come from your all sweats, your all devotions, and your all efforts 😊😊😊😊. And the 6 goals of The Three Lions have made Me cannot stop smiling too 😊😊😊😊. ...

... I am so proud of you all 😊😊😊😊. ...

... Thank you very much for coach Thomas Tuchel 😊😊😊😊. ...

... Thank you very much for all the football players of The Three Lions both the real players and the spare players including the 3 goalkeepers 😊😊😊😊. ...

... And thank you very much for everyone who involves with The Three Lions 😊😊😊😊. ...

... If we lost just the only one of you all, we would not have the victory of The Three Lions in the FIFA world cup 2026 😊😊😊😊. ...

... Marvelous, splendid, and superb! 😊😊😊😊

Last, the next FIFA world cup will be in 2030. And I strongly believed that at that time, I, Prince William, Prince Harry, Prince Harry's Soulmate, My Parents, and My Group will be at The Holy Home already. So, make Me ... Sorry, ... please help Us to have chances to watch splendid FIFA world cup again. And please do not forget to make My Heart Swell With Pride by the greatest victory of The Three Lions in the FIFA world cup 2030 😊😊😊😊.

The Three Lions, you can 😊😊😊😊 ... I really knew 😊😊😊😊. ... Thank you very much, sir 😊😊😊😊.
