Our Very New Plan about My things
(19 November 2026)

First of all, I would like you to know;

To tempt the good and everyone who is allowed to be in The New Better World not into believing My Words and Words of Daddy Almighty or Allah, the satanic planned to discredit Me by banning Daddy Almighty or Allah on telling Me the certain future but fooling Me by many lies which have fake reasonable reasons to support so as to see Me plan Our Plans and tell you Our Plans back and forth.

Now, I am not sure that Prince William will call Me on 1 January 2027 as the appointment which the satanic ordered Daddy Almighty or Allah to use His Voice to make the appointment with Prince William at the start, or Prince William, King Charles, and Prince Harry will know The Truths "We are fooled into waiting for the end of the test, the end of The World, Jesus, and The Judgement" and "Angie has told Us The Truths and The Solution" after Christmas Day 2027. And I am not sure that there were agreements which Daddy Almighty or Allah has made with the satanic at the start or not or Daddy Almighty or Allah has made the agreements with the satanic at the start "All The 3 Men must know The Truths by Their Own Themselves!" But Daddy Almighty or Allah has told Me several times "Angie, if everyone knows that there were the agreements which I needed to make with the satanic at the start, the good and everyone who is allowed to be in The New Better World will know that all bad things which have happened in The World since 2000 are the crimes and the felonies of all the Thai people, Thailand, and their co-workers!"

Whereas, I would like you to know Our Very New Plan about My things;

Because;

1) If Prince William calls Me for The First Time on 1 January 2027, I will have A Person Whom I will be able to borrow money from.

2) If I have a better choice, I will not definitely let any of My things belong to a bad person (or bad people). In that I never get close and involve with a person (or people) whom I know that he (or she or they) are bad.

3) Daddy Almighty or Allah has told Me several times "Angie, if You still continue selling Your things after Will will have called You, the satanic will choose his co-workers whom You have not known that they work the plan, to buy Your things. Because his co-workers are more than a half of The World's population but You knew just a little of them all! (Everyone will know them all after You and Will will have been at The Holy Home, so I will be able to tell everyone all the truths!)"

And

4) If Prince William calls Me on 1 January 2027 and I keep My things for An Auction, I will receive Money for not only Me, My Parents, and My Group but also for Most of English People and the poor all over The World.

So, if Prince William calls Me on 1 January 2027, I will not sell any of My things anymore but I will keep My things for The Auction.

However, if Prince William did not call Me on 1 January 2027, I would start selling My things again on 29 January 2027 ☺☺.
