

## ***My letter to Michael Chen Wang and Team Cider (12 December 2024)***

Hi, Michael and Team Cider 😊😊.

Michael and Team Cider, sir. I have told you in My reviews on Lazada application “After I will have become a millionaire, CIDER will be one of the brands in My Heart that I will be a subsidizer” And “Could Team Cider honour Me by allowing Me to be your permanent customer?” I told you these because at that time, I did not know that some South Korean stars are your presenters.

Michael and Team Cider, sir. I had officially declared ***“After Christmas Day 2024 comes, I will not definitely buy and/or use any products of any brands that Thai people and/or Korean people both South Korean people and North Korean people are presenters. And I will not definitely buy any products which made in Thailand or made in Korea both South Korea and North Korea. After Christmas Day 2024, I will use products which are in these conditions but I buy before Christmas Day 2024. However, after Christmas Day 2024, I will not definitely buy any products which are in these conditions.”***

Michael and Team Cider, sir. ... ***Please understand Me ... I always keep My Words*** 😊😊.

Michael and Team Cider, sir. ***Reasons which made the Korean people both the South Korean People and the North Korean people disgusting for Me are;***

(1) The Father told Me “Angie, ***natures of all the Korean people are wicked the same as the natures of all the Thai people!***”

(2) The Father told Me “Angie, South Korean women lost their virginites when they were young. For that reason and because ***they are envious people***, so when they meet good women, they envy the good women. And because before a South Korean man marries a South Korean woman, both the man and the woman passed having sex with many opposite genders. ***Because they are “screw”, so they envy Will and You, and Harry and His Soulmate and want to see You All pass over!***”

(3) The Father told Me “Angie, ***many South Korean businesses have ordered Me not only to grow their businesses to be world-class businesses but also to ban western businesses on developing their products, on growing their businesses, and on selling their products to You and world-wide!***”

(4) The Father told Me “Angie, *all the South Korean people have ordered Me not only to make their entertainment industry and their creative people be world-wide famous but also to force many businesses of other countries to choose the creative people to be their presenters and/or brand ambassadors, and to order western entertainment reporters to promote the creative people!*”

(5) The Father told Me “Angie, *all the South Korean people have helped all the Thai people to distort the teachings of Buddha about “Law of Karma” so as to entice foreign people in other countries especially the new generation of the other countries to participate in the devil’s dirty plan!*”

(6) The Father told Me “Angie, *all the Korean people work the devil’s dirty plan with all the Thai people. They aimed to blacken Will, King Charles, Harry, The British Monarchy, British people, and the UK and they never stop. Did You see that the president of South Korea and Blackpink ordered King Charles to give them insignias which are in their blackening plan?*”

(7) The Father told Me “Angie, *the Korean people in Korea have worked with the Thai people in Thailand, the Thai people abroad, and the Korean people abroad to order Me to make foreign people not to sleep enough and to torment the foreign people!*”

(8) The Father told Me “Angie, *because the natures of all the Korean people both all the South Korean people and all the North Korean people are like the natures of all the Thai people, so they feel ecstatic to see other people get hurt, feel anguished, and/or be tormented. Therefore, they have worked with one another to order Me to make conflicts, natural disasters, and wars take place all over the world especially in Our Muslim World!*” ... This is an important reason why they must succeed in alibiing and blackening Prince William, King Charles, Prince Harry, The British Monarchy, British people, and the UK ☹️☹️.

And

(9) The Father told Me “Angie, *no country in the world that all the citizens will be taken down to hell and the eternal flame all but Thailand, South Korea, and North Korea!*”

Michael and Team Cider, sir. Because Prince William of The British Monarchy is My Heart and Soul as My Soulmate, King Charles is one of My Dads, Prince Harry is My Brother, The British Monarchy is My Family, British people are My Compatriots as My Close Cousins, and the UK is My Homeland, and because I had direct experiences in being blackened by all the Thai people from 1987 to 2000, so ***I cannot accept any foreign people whose natures are like all the Thai people and/or blacken innocent people.***

Michael and Team Cider, sir. ***Because of My declaration and My Reasons, so if some South Korean people are still your presenters and/or brand ambassadors, after Christmas Day 2024, I will not definitely buy any of your products.***

Michael and Team Cider, sir. I addicted soft drinks, and Pepsi is My most love. But because labels at bottles of Pepsi Max have photos of South Korean stars, so after Christmas Day 2024, I will not definitely buy Pepsi until there are not any photos of South Korean stars at bottles of Pepsi.

Michael and Team Cider, sir. ***I always keep My Words. So, I will not definitely buy any of your products until you and/or Team Cider will email Me after Christmas Day 2024 to make a promise with Me that Cider will not definitely let any Thai people and any Korean people both South Korean people and North Korean people to be your presenters and/or brand ambassadors.***

Michael and Team Cider, sir. ***The Father told Me that after you email Me, The Father will advise Me to advise you who else in other countries is appropriate for presenting “beauties and charms” of CIDER instead of South Korean people. And the people (who can be Chinese stars and/or Japanese stars 😊😊) whom The Father advise you will help CIDER to have higher-sales than sales from South Korean stars 😊😊.***

Michael and Team Cider, sir. ***The Father told Me to ask you on 12 December 2024 at around 6:05 pm “Many Chinese people and many Japanese people are millionaires and billionaires. If Team Cider is not controlled, why Team Cider does not choose any Chinese stars and/or any Japanese stars to be your presenters and/or brand ambassadors? Why Team Cider chose South Korean stars to be your presenters and/or brand ambassadors?”***

Michael and Team Cider, sir. *I really fell in love with CIDER because CIDER has clothes and accessories for female adults and female elders who have girly hearts or young teenage hearts ... But please understand Me ... I always keep My Words* 😊😊.

Michael and Team Cider, sir. *Everything is up to your decision, and I respect your decision, but after Christmas Day 2024, I am waiting for a promise email from Michael and/or Team Cider* 😊😊.

😊😊 Kind regards 😊😊,

😊😊 Angie 😊😊

😊😊 The Daughter and The Prophet 😊😊
