

My message to King Charles (19 January 2025)

King Charles, sir. If You order the chief of Scotland Yard to secretly investigate, ***I would like You to adjust Your strategies by fast letting Prince William urgently call Me before the secret investigation will be finished*** 😊😊.

His Majesty The King, sir. Adjusting Your strategies ***does not*** mean that You are crazy or mad. But ***as A British Soldier, You need to know how to adjust strategies to fight against Your enemies in wars***. If Your enemies will reach London by attacking Scotland before, You need to increase numbers of British soldiers at the border of Scotland. But if ***the latest information*** was reported that the enemies will reach London by attacking Wales before, You need to ***urgently adjust*** Your strategies to save all the UK, right? ...

... His Majesty The King, sir. Think twice: The numbers of all the British soldiers in The British Troop are stable. If His Majesty The King still increased the numbers of the British soldiers at the border of Scotland but did not increase the numbers of the British soldiers at the border of Wales, what would happen to all the UK? 😊😊

His Majesty The King, sir. ***When the latest information changes, the strategies must be adjusted or must be changed too, right?***

And His Majesty The King, sir. To fight against pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers at every court of law, we need ***smart and updated strategies*** too 😊😊.

His Majesty The King, sir. I have told His Majesty The King “Muslims ***will not*** definitely surrender to be violently tormented ***for free***”. So, pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers ***cannot*** lose at any courts of law of countries that most of foreign people especially most of Muslims can trust in that ***it means that they must be sentenced by severe torments to be death of Sha-re-ah Law of The Muslim World***.

His Majesty The King, sir. ***I have told His Majesty The King what else is their alibis to blacken Queen Elizabeth, His Majesty The King, Prince William, Prince Harry, The British Monarchy, British people, the UK, and many foreign people who are their targets to blacken***.

His Majesty The King, sir. *I have reminded His Majesty The King of the countries where We may lose at their courts of law if We carelessly prepare Ourselves.*

His Majesty The King, sir. *I have jockeyed the song "F**kin' Perfect" sung by P!nk especially the pronunciation which tells Us what The Father Almighty advised You All to do as His Majesty The King, Prince William, and Prince Harry have been their "hattrick" in such a tired game.*

His Majesty The King, sir. *I have told His Majesty The King since 9 January 2025 why pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty have used The Voice of The Father Almighty to lie the lies to His Majesty The King to tempt His Majesty The King into ordering the chief of Scotland Yard who is one of their alliances to secretly investigate.*

And His Majesty The King, sir. *The foremost truth which is the most crucial is that I have told His Majesty The King since 9 January 2025 "The truths of the process of law" to run for the old offenders who commit the offenses which the court does not grant bail.*

His Majesty The King, sir. *Once again: When the latest information changes, the strategies must be adjusted or must be changed too, right?*

As a result, His Majesty The King, sir. *Nothing is better than adjusting Your strategies by fast starting to show The Real Intentions of Yours All and most of British people to the world before.* His Majesty The King, sir. I mean that *nothing is better than quick letting Prince William urgently call Me before the secret investigation will be finished 😊😊.*

His Majesty The King, sir. After His Majesty The King will have adjusted Your strategies, good Scotland Yards and good British police officers who were trained to be professional police officers by the state budget of the UK and also good British authorities will understand You why You need to adjust Your strategies. In that *the Scotland Yards and the police officers who were trained to be professional police officers have strategies of the expert police officers to work and the authorities have strategies of the expert authorities to work too.*

And His Majesty The King, sir. **To save The British Monarchy, all ethical monarchies, Your beloved citizens, and most of foreign people all over the world to survive from the devil's dirty plan, why do His Majesty The King need to care wicked Scotland Yards, wicked British police officers, and wicked British authorities who work the plan with pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers to overthrow The British Monarchy and all the ethical monarchies so as to tempt Your beloved citizens and most of the foreign people all over the world into being "slaves of drugs" to tyrannize Your beloved citizens and most of the foreign people all over the world until they pass away? ...**

... His Majesty The King, sir. **The wicked wishes Us maliciously. So, why do His Majesty The King need to care them? ...**

... His Majesty The King, sir. Once again: I have told His Majesty The King since 9 January 2025 **what else they all planned to lie to the foreign people especially judges and juries at every court of law**, with the result that pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty have used The Voice of The Father Almighty to **lie the lies to His Majesty The King to tempt His Majesty The King into ordering the chief of Scotland Yard who is one of their alliances** to investigate.

His Majesty The King, sir. **Once again: When the latest information changes, the strategies must be adjusted or must be changed too, right?**

By the way, His Majesty The King, sir. To fight against pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers at every court of law is A Meaning of **The Holy War of The Current Millennium** that The Father Almighty sent Us to win. And **only the smart and updated strategies will help Us to win in The War** 😊😊.

Last, His Majesty The King, sir. *I would like to underline a crucial truth again: Now, the smart and updated strategies are that quick adjusting Your strategies by fast letting Prince William hurry call Me **before** the secret investigation will be finished in order to urgently start to show The Real Intentions of Yours All and most of British people to the world before 😊😊.*

His Majesty The King, sir. ***Once again: When the latest information changes, the strategies must be adjusted or must be changed too, right?***

😊😊 *His Majesty The King, sir* 😊😊.

😊😊 *Could You please adjust Your strategies to fight against them at every court of law?* 😊😊

😊😊 *His Majesty The King, sir. Could You please adjust Your strategies?* 😊😊

😊😊 *His Majesty The King, sir. I am waiting for calling from Prince William* 😊😊.

😊😊😊😊😊😊😊😊
