

My message to King Charles (9 January 2025)

King Charles, sir. I am not sure now, what His Majesty The King, Prince William, and Prince Harry are doing. But if His Majesty The King order the chief of Scotland Yard to secretly investigate the cases, I have important advices to advise His Majesty The King;

His Majesty The King, sir. If His Majesty The King order the chief of Scotland Yard to secretly investigate the cases in limited time, The Father Almighty or another name is Allah told Me many times;

“Angie, since the end of November 1999, ***good foreign authorities have not had any chances to step up to higher positions but wicked foreign authorities who work the devil's dirty plan have stepped up to be the chieves and high-level authorities.*** ...

... Angie, the chief of Scotland Yard and high-level authorities of Scotland Yard have worked the plan with pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, and all evil foreign people to ***overthrow*** all ethical monarchies including The British Monarchy to ***tempt*** the beloved citizens of the monarchs to be “slaves of drugs”. ...

... So, Angie, when the end of the limited time will have come, the chief of Scotland Yard will pretend to be loyal King Charles and The British Monarchy so as to request King Charles ***to prolong*** the time to investigate and to continue following their orders. But he and his co-workers will act many deeds ***to threaten*** King Charles “We have many British politicians and scores of British government officers as our henchmen” so as to make King Charles fearful of them”

His Majesty The King, sir. I would like to underline the truths again: ***Because The Son was born as The Future King of the UK, The Daughter is The Soulmate of The Future King of the UK, His Majesty The King, Prince Harry, and Some Members of The British Monarchy are gods and goddesses sent by The Father to do The Missions, and The Parents and The Group of The Daughter are British people, so pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people have had to hurry change the UK to be the same as Thailand since the start. And because they all are so very much envious, so they all have had to fast change countries where they all envy to be the same as Thailand too.***

His Majesty The King, sir. Shall we return to the point “The chief of Scotland Yard and his co-workers will act many deeds to threaten His Majesty The King so as to make His Majesty The King fearful of the numbers of the British politicians and the British government officers who work the plan”?

His Majesty The King, sir. Listen to Me carefully: His Majesty The King do not need to worry about they will succeed in sudden overthrow The British Monarchy in that The Father told Me many times “Angie, because Will is My Son, and King Charles, Harry, and Some Members of The British Monarchy are gods and goddesses sent by Me to do The Missions to help You, Your Parents, and Your Group to go out of Thailand to fly to The Holy Home, Angie, I mean that They are One of My Wills, ***so One of My Conditions which pimp king Bhumibol and the satanic Chakri dynasty mockingly and funnily agreed with Me at the start is “Do not let anyone suddenly overthrow The British Monarchy. If any of your co-workers start to suddenly overthrow The British Monarchy, you, your family, all Thai people, all evil foreign people, and your all co-workers will be suddenly taken down to die in Hell and The Eternal Flame forever!”*** 😊😊 ...

... His Majesty The King, sir. If it is not One of The Conditions of The Father, why pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, David Cameron, and their co-workers chose to run their plan to tempt British people into gradual feeling bored The British Monarchy to see the British people choose not to let The British Monarchy still?

His Majesty The King, sir. ***The best way for Us is that His Majesty The King, Your Sons, The British Monarchy, British people, the UK, and Your all alliances have to fast start to show Your Real Intentions to the world before The Father will help Me, My Parents, and My Group to disappear from Thailand to appear at Prince William in order to make pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers cannot refuse: Who else is the felonious leaders to detain Me, My Parents, and My Group in Thailand to commit the crimes, the felonies, torment, and genocide people all over the world and Us: Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, British people, and the UK, or pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, and Thailand? ...***

... His Majesty The King, sir. If the truth is that the chief of Scotland Yard himself requests His Majesty The King not to let Prince William call Me but to continue following their orders, ***did His Majesty The King figure out why? ...***

... His Majesty The King, sir. *Did His Majesty The King see many cases which victims of felonies report the felonies to police officers before, after that the victims can do the right while the police officers are investigating? And His Majesty The King, sir. Did His Majesty The King see that felons of many felonious cases are arrested to be interrogate, and then are sent to prison while police officers are investigating and interrogating in order to save their victims from dangers? His Majesty The King, sir. Why Scotland Yard and British police officers who were trained to be professional police officers by the state budget of the UK are not able to run this process while You All are doing the right?*

His Majesty The King, sir. David Cameron, many British politicians, the chief of Scotland Yard, and their co-workers love money and power more than their compatriots. And many middle-level British government officers and many low-level British government officers who can reform themselves were enticed to commit the plan by *the lie* "We will share a large number of profits from selling drugs and corruptions to you". The government officers still have not noticed "Before 2000, more than 85 percentages of Thai people are drug addicts and/or drug sellers. If the heads of drug-selling gang and high-level gangsters of the drug-selling gang shared the profits to every gangster in the gang equally, why only pimp king Bhumibol, the satanic Chakri dynasty, and high-level gangsters of Thai drug-selling gangs are rich, but most of Thai people are still poor?"

His Majesty The King, sir. *I would like to spotlight their felonies and their crimes again;*

- 1) *Offences relating to the security of the Kingdom*
- 2) *Offences Against to the King, the Queen, and Heirs-apparent*
- 3) *Offences of Terrorization*
- 4) *Offences relating to Public Administration*
- 5) *Offences relating to Public Peace*
- 6) *Offences relating to Causing Public Dangers*
- 7) *Offences Against Life and Body*
- 8) *Offences Causing Death*
- 9) *Offences of Murdering the other person*
- 10) *Offences of Murdering the other person by premeditation*
- 11) *Offences Against Body*
- 12) *Offences of Bodily Harm*
- 13) *Offences of Grievous Bodily Harm*

14) Offences Against Liberty and Reputation

15) Offences Against Property

16) Offences as War Criminals

And

17) Offences Against to Allah's Messenger, Her Soulmate, and Their Assistants

So, His Majesty The King, sir. **Did His Majesty The King understand why they do not strongly want You All to stop following their orders?** His Majesty The King, sir. The Father told Me many times "Angie, pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people including Camilla, Kate, Meghan, and their children, and their co-workers **have known since the start** what else will happen after Christmas Day 2024 comes. So, pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, their all consultants, and some of their co-workers planned to **fool** King Charles to order Scotland Yard to investigate the cases **to blacken** King Charles, The British Monarchy, British people, and the UK later!" And "Angie, **one of their alibis is "If I ordered and I knew the truths both You All really knew that I ordered and British police officers are investigating, why would not I stop ordering? I was blackened!"**" ...

... His Majesty The King, sir. If His Majesty The King think "Angie, judges and juries are not idiotic!", His Majesty The King, sir. Think twice once again: **The white is famous for clever, so their countries were developed and civilized, but what happened from 2000 to Christmas Day 2024?** His Majesty The King, sir. **I would like to remind His Majesty The King of the truths of countries** that their citizens do not respect The Father, countries that almost of their citizens are illiteracy, countries that almost of their citizens are wicked, countries that are not members of International Criminal Court or ICC, countries that do not ratify "Universal Declaration of Human Right", and countries that want to still be "underdeveloped countries" to get donation money for their state budget. His Majesty The King, sir. If We lose at these courts of law, **who** will compensate compensations and interests because **there are civil cases which involve with criminal cases?**

His Majesty The King, sir. The Father told Me “Angie, We need to let many middle-level British government officers and many low-level British government officers who work the plan but can reform themselves see Hell and The Eternal Flame through Your Eyes and feel Hell and The Eternal Flame in their dreams which is “The Process of Redemption” **before**. And “The Process of Redemption” will happen after You and Will will have been at The Holy Home. **After they who can reform themselves will have started to see and feel Hell and The Eternal Flame for a moment, if they still work the plan to hurt their royal family and their compatriots, it means that they themselves accept 100 percentages of cold-blooded torments in Hell and The Eternal Flame with the satans forever by themselves even though they all can reform themselves!”** 😊😊

His Majesty The King, sir. All which I explained do not mean that most of British government officers are wicked. But because pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people have had to quickly change the UK to be the same as Thailand since the start, so **since the end of November 1999, good British authorities have not stepped up to higher positions.** ...

... His Majesty The King, sir. How can We All fight against the satans if we select their henchmen who **loyal** them to fight against them? His Majesty The King, sir. Just **“put the right man into the right job”**. His Majesty The King, sir. I do not know Mr. “No O” in personal. But The Father told Me “Angie, Mr. “No O” is waiting for King Charles to call him to do The Missions” His Majesty The King, sir. **Mr. “No O” is a detective whom His Majesty The King sent to detect the truths of Mine in Thailand in around 2013.** His Majesty The King, sir. After Mr. “No O” had known the truths of Mine and fake o, he was stress and tried to tell the truths to Me by the word “ไม่ผิดใจ” or can be translated in the English language “No O” 😊😊.

His Majesty The King, sir. **Once again: There are many cases which victims of felonies report the felonies to police officers before, after that the victims can do the right while the police officers are investigating? And His Majesty The King, sir. Did His Majesty The King see that felons of many felonious cases are arrested to be interrogate, and then are sent to prison while police officers are investigating and interrogating in order to save their victims from dangers? His Majesty The King, sir. I told His Majesty The King what else is offenses Camilla, Kate, Meghan, and their co-workers have offended His Majesty The King, Prince William, Prince Harry, The British Monarchy, British people, and the UK, and they all are old offenders too. His Majesty The King, sir. How about the sentences of the offenses for the old offenders? His Majesty The King, sir. Another truth is that as a graduator from faculty of law, I know that many of their offenses are offenses for which the court does not grant bail. His Majesty The King, sir. Why Scotland Yard and British police officers who were trained to be professional**

police officers by the state budget of the UK are not able to run this process while You All are doing the right?

His Majesty The King, sir. *Once again: If the chief of Scotland Yard wishes His Majesty The King, Prince William, Prince Harry, The British Monarchy, British people, and the UK the best, but the truth is that he himself requests His Majesty The King not to let Prince William call Me but to continue following their orders, did His Majesty The King figure out why he did not advise His Majesty The King "the truths of the process of law" which I told His Majesty The King earlier?*

His Majesty The King, sir. If I tell His Majesty The King that The Father told Me many times "Angie. Pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers **planned to lie to** foreign people especially judges and juries at every court of law "After Christmas Day 2024, Prince William did not call Angie at once because Prince William, King Charles, Prince Harry, The British Monarchy, and Their All consultants needed to wait for until they were sure "The number of foreign people who knew the truth "We are fooled into waiting for" became massive" and "Angie would not be died surely". After that, they decided to let Prince William call Angie to fool the foreign people "The felonious leaders are pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, and Thailand, not Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, British people, and the UK"", *could His Majesty The King figure out why the chief of Scotland Yard did not advise His Majesty The King "the truths of the process of law" which I told His Majesty The King earlier?*

His Majesty The King, sir. I know how your health has been but please stay brave and strong. His Majesty The King have tremendous of Your beloved citizens and innumerable foreign people all over the world to save to survive from the plan. His Majesty The King, sir. Most of British people are clever enough for distinguishing what side is Angel but what side is satan. So, His Majesty The King, sir. Just fast start showing The Real Intentions of Yours All and British people to the world before 😊😊.

His Majesty The King, sir. I have said the following sentence for many, many times and many, many years. But I cannot feel bored to say it repeatedly until One of My Missions will be completed ...

His Majesty The King, sir. ...

... "I am waiting for calling from Prince William 😊😊".
