

***My message to King Charles, Prince William, and Prince Harry  
(To be able to call The Soulmates)  
(16 November 2025)***

*(Please read them all.)*

King Charles, Prince William, and Prince Harry, sir. 2 or maybe 3 weeks ago, after I had started thinking “Why do We need to wait for result of the investigation who are the real parents of all the 3 children of Kate Middleton?” And “Why the result of the investigation must be all the real parents of all the 3 children all?”, Nattha Ad-harn, nickname Tom, quickly allowed The Father Almighty or Allah to fast tell Me what I was thinking next. And The Father confirmed that My Plan is workable;

“Angie, tell Daddy Charles, Will, and Harry Our Plan;

To be able to let Will call Me and let Harry call His Soulmate, if Mr. No O can find the real parents of the children of Kate Middleton only one child or two children, on 17 November 2025 in the morning, You All have to report the felonies and the crimes to a righteous English police officer who has “a jurisdiction” to arrest Kate to interrogate **to confess the truths who are the real parents of the rest of the children**. After Kate will be arrested and will get on a police car, Will can call Me and Harry can call His Soulmate. After that, proclaim to public to let victims of Kate and her children to report the felonies and the crimes at police stations 😊😊😊😊”

King Charles, sir. You are assigned by The Father to be The Senior Leader to manage the situation. King Charles, sir. You are A Soldier. So, You have to know that **if a situation in a war changes, The Field Marshal needs to change His strategy, right?** Prince William and Prince Harry, sir. You All are also Soldiers. So, You All have to know that if a situation in a war changes, The Field Marshal needs to change His strategy too, right? King Charles, Prince William, and Prince Harry, sir. **Although The Field Marshal is The Leader, if He does not have Any Trustworthy and Mastermind Generals to stand by Him, He may be disabled, right? So, He needs to consult and listen to His Trustworthy and Mastermind Generals, right?** And **Prince William, sir. Though You are The Future King of England, My Age is older than You 6 years. So, why do not You impress Me by Your Leadership?** 😊😊😊😊

King Charles, Prince William, and Prince Harry, sir. To help My Mom to have enough time to cancel the operation, please let Prince William call Me **before 19 November 2025** 😊😊😊😊.

King Charles, Prince William, and Prince Harry, sir. I am waiting for calling from Prince William. And Prince Harry’s Soulmate is waiting for calling from Prince Harry too 😊😊😊😊.
