

My message to King Charles, Prince William, and Prince Harry

(Please understand Me.)

(22 November 2025 (1))

(Please read them all.)

King Charles, Prince William, and Prince Harry, sir. I aim to send My Mind to tell the truths to You All as many times as possible, but because: 1) I am weak. 2) I have not slept enough extremely. 3) My Mom need Me to intimately take care of Her such as dropping an eye drop every 2 hours. And 4) I must do most of housework instead of My Mom, so if I am too tried to send My Mind, I may fall asleep or may not send My Mind on some days. Please be Reasonable People. Please understand Me.

Shall We listen to the truths of today?
