

My message to King Charles, Prince William, and Prince Harry (8 February 2024)

Daddy Charles, sir. I heard the news you have got cancer. So, you may think if The Father Almighty wants you to help Me, why have you got cancer?

Daddy Charles, sir. I told you “My Dad who is assigned to parent Me and now is 77 years old, has got cancer more than 5 years, and almost passed over twice, but **he is still alive**. My Mom who is assigned to parent Me and now is 74 years old, has got many dangerous diseases such as heart disease but she has not been slept enough for more than 20 years and nearly passed over twice the same as My Dad, but **she is still alive**”

Daddy Charles, Will, and Brother Harry, sir. An important key is that My Parents who are assigned to parent Me **have done their Missions the best** since I was born and especially since 2000.

So, Daddy Charles, Will, and Brother Harry, sir. I told you many times “Will is The Son of The Father Almighty, My Soulmate, and My Backup. And **Daddy Charles and Brother Harry are gods sent by The Father Almighty to help Our Missions to succeed**”

Daddy Charles, Will, and Brother Harry, sir. **An important key is that Will have to request Daddy Charles and Brother Harry** such as “Dad and My Brother, I really need your help to help Our Missions to succeed. I want both of you to do everything to help Our Missions to succeed. And I strongly do not want both of you to pass on.”

Daddy Charles, sir. **I told you why they cannot let Will call Me easily**. Daddy Charles, sir. High technology of medical treatment can prolong lives of cancer patients for many years. Whereas, I really think that **if you are passed on before Our Missions will succeed**, Will and Brother Harry who are assigned to fly the plane will not definitely pass over and **you will come back to life**. So, Daddy Charles, sir. Think twice: **What sentences for people who kill The King of The United Kingdom as The Parent of Prince William who are not only The Son of The Father Almighty but also A Backup of Mine, and I am Allah’s Messenger?**

By the way, I would like to warn prostitute Camilla, prostitute Kate, prostitute Meghan, pimp David Cameron, pimp Rishi Sunak, and everyone who have threatened Us: (1) "You knew what happened after I had taken Paracetamol 20,000 mg at a time, so I was born to survive, not to die" (2) "Now, your felonies are not only harm health of The King, and confine freedom of The King and heirs apparent but also try to assassinate The King and heirs apparent" I believe that pimp David Cameron knew what the sentences will be. And (3) ***"Have you all ever known "Sha-re-ah Law" of The Muslim World?"***

Last, ***Daddy Charles, sir. Stay strong and do not give up until a day when we all including Mommy Diana, Grandma Elizabeth, and Granddad Phillip are all together again. ...***

... Daddy Charles, Will, and Brother Harry, sir. I am waiting for calling from Will, and talking to you all through FaceTime 😊😊.
