

My message to King Charles, Prince William, and Prince Harry (24 June 2024)

Daddy Charles, Will, and Harry, sir. I jockeyed the songs which told Us “In the end, We including British people ***need to fight against*** pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, and all evil foreign people ***at courts of law***” such as the song “All Rise” sung by Blue and the song “Better In Time” sung by Leona Lewis many times. And I opened the video clip which is called ***“As if You All were the real felons”*** many times too. So, Daddy Charles, Will, and Harry, sir. My question is that ***if You are facing an enemy in a war, and the enemy is directing his gun straight to You, will You wait for an allowance from Daddy Almighty or an allowance from Your commander to shoot him?*** Daddy Charles, Will, and Harry, sir. Whether to kill him, or to make him just only injure to protect Yourself, You need to pull the trigger of Your gun ***before*** hearing an allowance from Daddy Almighty or an allowance from Your commander, right? And Daddy Charles, Will, and Harry, sir. In the situation like this, ***who else*** want You to wait for an allowance from Daddy Almighty or an allowance from Your commander?

Daddy Charles, Will, and Harry, sir. I would like You All to know the truth from the situation which has passed around 25 years. The truth is that if You are the leader of the UK Troop to fight against enemies ***who have much knowledges of psychology, are excellent in deception, and know religious beliefs of all religions,*** You will lead the UK Troop to lose certainly!

Anyway, Daddy Charles, Will, and Harry, sir. The truths of Yours All which I would like You All to know are that Kings by birth and Princes by birth ***are not*** men of effort. In that ***You do not need to try to do anything to get what You want in Your lives.*** When You are hungry, the best dishes are been ready to serve You. When You want something new, You do not need to save Your money to buy it but just choose it from a catalogue and Your servants will manage how to pay for You. I mean that ***in Your lives, just order Your servants, then everything will be as Your orders.*** Even when it is Your time to have Your wife, You do not need to use the principle 3 Ps: Proclaim, Protect, and Provide to try to win the heart of the woman whom You love and You do not need to considerate her and do not need to keep her satisfy. Because many women around You are ready to open their sex organs to wait for Your pile to go into their sex organs to become a princess or a queen. So, ***Your comfortable and luxury lives make You lack of effort with the result that although Will know that You are The Son of Daddy Almighty, A Person of Daddy Almighty, just only twice You cannot make You surrender forever!***

Daddy Charles, Will, and Harry, sir. Because pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people have ordered Daddy Almighty **since the end of November 1999**, so I and My Parents have been in so very much severe torments for around **25 years**, and for Me, the violent torments are around **34 years**. Daddy Charles, Will, and Harry, sir. Big Thai drug-selling gangs have run their plans **to make Me addict drugs and suicide since I was just 14 years old**. So, Daddy Charles, Will, and Harry, sir. **Could You forecast what else I have been faced each day since I was just 14 years old?**

Will, although the voices told Me many times “Angie, Kings and Princes who love You are not only Prince William”, I have waited for only You because You are the only one man in the world who can bring Me fly to The Holy Home. Will, if other men could bring Me fly to The Holy Home, I would not definitely wait for only You. Will, **normal people will not definitely want to be under extreme torments until they die**, right? And Will, **I and My Parents are normal people**.

Will, I am ready to sign the marriage certificate with You to save the life of Daddy Charles and to fast go out of Thailand to save the world in time, but I am ready to sign the divorce certificate with You at once after You and I are at The Holy Home to let You go too. So, Will, **do not worry about Me but think about Our Missions first**.

Will, **I am waiting for calling from You**.

Will, **I am waiting**.
