

My message to King Charles and Prince William (21 January 2025)

King Charles and Prince William, sir. I need to straight talk to You;

King Charles and Prince William, sir. I have told King Charles since 9 January 2025 “The truths of the process of law” which You can run for ***Camilla, Kate, Meghan, and their children who all are the old offenders of many felonious cases.*** I have also told King Charles since then ***why*** pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty have used The Voice of The Father Almighty ***to lie the lies*** to King Charles ***to tempt*** King Charles into ordering the chief of Scotland Yard who is ***one of their alliances to investigate.*** And I have told King Charles ***“When the latest information changes, the strategies must be adjusted or must be changed too”***

Therefore, Prince William, sir. If You have ***full of confidence*** that You ***never*** love and ***never*** have sex with Kate, and George, Charlotte, and Louis ***are not*** Your offspring, ***why do not You fast fire them out of the positions and Your palace, after that, go to a police station to report to a police officer “Kate is an impostor who has imposed “I am the wife of Prince William.” And George, Charlotte, and Louis are impostors who have imposed “We are the offspring of Prince William.” They all and the parents of the children have violated My liberty, My reputation, and My properties: Since 2000 for Kate, and since 2013 and later for the children and their parents. And they all and their co-workers have offended Me, most of British people, and the UK many offenses which the court does not grant bail too”?*** Prince William, sir. Why You still let them all on the positions and in Your palace? Or You are not sure “Maybe I had sex with Kate while I was drunken, and the 3 children may be My offspring?”

King Charles and Prince William, sir. ***If You have full of confidence in Your innocent, why do You need the secret investigation? King Charles and Prince William, sir. Because it is the secret investigation, so only few people know the truths. So that, King Charles and Prince William, sir. If the chief of Scotland Yard as the leader of the detectives but as one of the alliances of pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty***

too, reverses his words to help them to blacken You All at every court of law, how will You do?

King Charles and Prince William, sir. Pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty are their leaders, so the chief of Scotland Yard and high-level Scotland Yards who work the plan with the pimp kings and the satanic dynasty will follow their leaders, right? And King Charles and Prince William, sir. If their leaders are not excellent in deception, how could they trick You All into waiting for around 25 years? And how could they trick Me into believing the same as You All at the last 3 months?

King Charles and Prince William, sir. Did You understand why “The Voice” tempted King Charles into believing “The investigation should be “secret””

As a result, King Charles and Prince William, sir. Will it be better if You All ask many British police officers who are not high-level positions, many British reporters, and many worldwide reporters for helping Us?

Anyway, King Charles and Prince William, sir. The Father Almighty told Me “Angie, King Charles, Will, and good servants in Their palaces have aimed “We have to help Angie to feel impressed for being our Princess before” But because You All are Men, so *You All never figure out how A Girl who will become A Princess will feel if Her Prince never listen to Her, never follow Her, never care about Her Demands, and never complete Her Demands.* King Charles and Prince William, sir. Although I was fooled into believing the same as You All at the last 3 months, *how many years I have tried to tell You All about the truths and the solution? But what have happened? And I have told You All about their plans and their alibis to blacken You All and what else You All have to do, but what have happened?* King Charles and Prince William, sir. When I ask You for turning right, but You always turn left. When I ask You for going forward, but You always go backward. And *how many times I have compromised?* Prince William, sir. Conversely, *if You were Me and I did the same as You, how would You think and feel?* And *King Charles, sir. If You were My Parents and My Parents did the same as You, how would You think and feel?* King Charles and Prince William, sir. *If the start of Us is like this,*

how the future of Mine will be? And how can I feel impressed for being Your Princess?

King Charles, sir. I as The Person who understood Princess Diana the most, would like to ask You: Could You figure out why the marriage life of You and Princess Diana became ***“tragedy”***?

King Charles and Prince William, sir. Did You know I have sometimes heard “Will loves Kate” “Will loves His children” and “If Prince William does not love Kate and her children, why He still keeps them on the positions and in His palace?”? King Charles and Prince William, sir. Because of this, could You forecast what else My Parents have heard? King Charles and Prince William, sir. ***How can I be sure about how relationship between Prince William and Kate has been if I still have not had any chances to talk to Prince William?*** And King Charles and Prince William, sir. ***Because while We All will be fighting against them at every court of law, My Mind will be being opened too, so could You forecast what judges and juries will think if I directly tell the judges and the juries “I am not sure whom Prince William loves” and My Deep Feelings feel that Prince William love Kate?***

King Charles and Prince William, sir. Did You know because Prince William still have not called Me, so I ***have been confused*** what You All are doing, ***Or You All still have not known “We have been fooled into waiting for”***?

King Charles and Prince William, sir. ***I came to help but if We All do not talk to and consult one another, I will not know what You All are doing, what You All want to know, and what weak points of Yours All are with the result that My advices will not “hit the points”.***

King Charles and Prince William, sir. ***I came as The Only One Prophet of The Current Millennium to help, to redeem, and to teach, and You and Prince Harry are My Backup but when will You All believe Me?*** King Charles and Prince William, sir. ***If I am stupid, why The Father Almighty chooses to send Me and open My Mind to let everyone know how My Mind and My Natures are, and what else is My advices before opening The Mind of Prince William later?***

King Charles and Prince William, sir. *After Prince William will have called Me, We All will be able to consult one another what We All have to do next. King Charles, sir. Did You see because We All still have not had any chances to talk to and consult one another, so what else became Your big mistakes?*

So, King Charles and Prince William, sir. Did You know why pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers have tried their best not to let Us All have any chances to talk to and consult one another?

King Charles and Prince William, sir. *Once again: When the latest information changes, the strategies must be adjusted or must be changed too.*

King Charles and Prince William, sir. I am waiting for calling from Prince William.

King Charles and Prince William, sir. I am waiting.
