

## ***My message to Prince William*** ***(21 April 2024)***

Will, nobody can triumph over The Father Almighty. But The Father Almighty has 3 Person: The Father Almighty, The Daughter and The Son, and The Holy Spirit. Will, if You are The Real Son of The Father Almighty, why are You so much afraid of power of the satans and the devils? Why do You do nothing but let the satans and the devils severely torment Me, The Youngest Daughter of The Father Almighty and Your Younger Sister, and let them destroy The World which is a creation of The Father Almighty for donkey's years?

Will, Your Name is "William" Will, Your Name tells everyone "Will.i.am" or "I am Will" or another meaning is "I am An Intention of The Father Almighty" Will, why The Intention of The Father Almighty needs to be afraid of the power of the satans and the devils? Will, if even The Son and The Daughter of The Father Almighty who both are A Person of The Father Almighty could not fight against the satans and the devils, who would win the satans and the devils? And how Our World would be?

Will, The Father Almighty does not send only You and Me who both are A Person of The Father Almighty to do The Missions, but sends King Charles and Prince Harry who both are gods to help Us to do The Missions. And Will, what statuses of King Charles, You, and Prince Harry are? Why are You All so much afraid of the power of the satans and the devils?

Will, once again: Who are You, King Charles, and Prince Harry? Why do You All need to surrender to follow orders of the demonic harlots and their evil children who are leaded by the pimp kings and the satanic dynasty of a small agriculture country where The Father Almighty let foreign people call "the prostitute country"?

Will, I noticed My Dad, and I think that My Dad seems to know that The Father Almighty lets everyone start doing the right to help Me on My Birthday 2024. But because My Dad is 78 years old fully on 26 April 2024 and My Mom is 75 years old fully on 17 March 2024, so My Dad and My Mom still have not known "What the real times to pass on of us are?", so that My Dad and My Mom really want to talk to You to request You before "If we do the right and we pass on, please take care of Angie instead of us. Angie has nobody but us. So, if we pass on, please do not leave Angie alone"

Will, The Father Almighty told Me on 21 April 2024 in the morning “Angie, Your Parents planned “If Prince William calls our beloved Daughter and us but the satans and the devils ordered us cannot speak anything as our minds, at least, we will pass on peacefully in that we know that The Man who can take care of Angie instead of us the best and we can trust Him to cherish Angie the most starts to help Angie!””

Will, the Thai drug-selling gangs has violently tormented Me to addict drugs and to suicide since I was just 14 years old. Will, could the behaviours of the pimp kings of Thailand, the satanic Chakri dynasty, Thai men, and all Thai people since 2000 help you to know what situation else I, A Target of the Thai drug-selling gangs to addict drugs and to suicide, must be faced each day since I was just 14 years old. And Will, for Me, only 2 years to 50 years old. Will, You have waited for Me, Your Younger Sister, since You were A Toddler. Will, today is 2024. So, Will, is it the time of Yours, King Charles, and Prince Harry to start doing the right?
