

My message to Prince William (25 December 2024)

I would like to send My message in this video clip to Prince William of The British Monarchy.

Will, I am weak, so I do not have power enough for recording new video clips. So that, I am opening old video clips to tell You, Daddy Charles, Harry, and Your All consultants ***what else Daddy Almighty advised Me to advise You.***

Will, ***I do not blame You*** because at the last 3 months, I was fooled the same as You were fooled 24 years too.

Will, I would like to underline the truths again: Although I have felt anguished because I have waited for only You, ***I have waited for only You because I love You. Will, I do love You.***

And Will, ***I am waiting for calling from You and for helping from You, Daddy Charles, Harry, The Soulmate of Harry, The British Monarchy, British people, and foreign people who are Our alliances.***

Will, ***I am waiting and I truly want to countdown online to 2025 with You together.***

Will, ***I am waiting.***

Shall we listen to the next video clips?
