

## ***My message to Prince William (23 March 2024)***

Will, I would like you to know that although My Dad had operated the joint bones of his legs and has been in a period of recovering, on 22 March 2024 in the morning, he fell hard and his bottom hit the ground. And Will, although I am in period, I have not been deeply slept, have been provoked, and have been violently tormented. Will, ***how many years I and My Parents have been severely tormented like these? But how many years Kate has had a comfortable and luxury life, and has spent My money as your wife and a princess?***

Will, I would like you to know that if I marry you, we will divorce surely in that nobody wants us to love each other.

Will, if you answer Me “We love each other. Why do we need to listen to other people?”

Will, if you answer Me this, how about you? You listen to bitch Taylor Swift. You listen to bitch Mariah Carey. You listen to bitch Diana Ross. You listen to bitch Sarah McLachlan. You listen to fuck Hootie and The Blowfish. And you listen to fuck Scotland Yard. ***You listen to everyone, but the only one person you never listen to is Me!***

Will, you knew that all Thai people have worked together to severely torment Me with the purposes of making Me ***addict drugs*** and ***suicide*** since I was just ***14 years old***. And now, you knew that all Thai people are ***exactly demonic***. So, why cannot you forecast ***what else*** I have been faced ***each day*** since I was just ***14 years old***? And you knew now, for Me, ***only 2 years to 50 years old***. But you are still ***“Ice Ice Baby”***

Will, ***your decision is about I and My Parents will be death, or will be alive tormentedly, or will be alive happily. So, why do you give important to other people more than Me?***

Will, do you know ***why innumerable people all around the world decided to work the plan?*** And ***why plenty of people agreed to help one another to lie to other people including judges and juries in every court of law to blacken Queen Elizabeth, you, The British Monarchy, and British people? One of the reasons is that they all know “Angie never lies to anyone. And Angie tells Prince William, King Charles, and Prince Harry the truths. But Prince William, King Charles, and Prince Harry choose not to believe the truths from Angie who never lies to anyone but choose to believe the lies from pimp king Bhumibol, the satanic Chakri dynasty, and everyone around them!”*** Will, ***the new generation have learnt by behaviours***

*between you all and pimp king Bhumbol, the satanic Chakri dynasty, and everyone around you all "Lying will help me to get everything I want in my life. Just do not let my targets catch up my lies!" And "If I am excellent in lying, I will not definitely bear my own bad fruits in this life!" ...*

... Will, once again: *how many years I and My Parents have been severely tormented like these? But how many years Kate has had a comfortable and luxury life, and has spent My money as your wife and a princess?*

Will, before I am finishing talking to you in this video clip, I would like to repeat My questions again;

(1) Will, if My Mission is to stand violent torments, and if everything which has happened since the end of November 1999 is The Wills of Daddy Almighty, why Daddy Almighty will turn back the time to **1987** when I was **11 years old** and **nobody starts tormenting Me** to let all good foreign people and all foreign people who can reform themselves **begin again?**

(2) Will, a millionaire can bring Me fly. Why you, Daddy Charles, and Brother Harry were sent to be born as **heirs-apparent** of The British Monarchy?

(3) Will, why your work was **to fly a rescue helicopter?** And

(4) Will, if I married a man who strongly believe "My missions are to let Angie hurt, to let Angie cry, and to hurt Angie", **how My life would be?** And Will, **if you were My Parents, would you let Me marry the man whose beliefs are like these?**

Last, Will, if you do not fire Kate, George, Charlotte, and Louis out of the positions and your palace, and call Me **within 19 April 2024**, it means that you accepted that you truly love Kate, George, Charlotte, and Louis, and you actually want to extol them as your wife, the queen of the UK, your family, and a part of The British Monarchy all your life. It will also mean that you accepted that nobody can replace Kate even Me. And **we will have nothing about love and marriage to talk to together anymore.** Will, if you do not complete the conditions within the deadline, we will have **only** our missions to do together. **Will, no normal person wants to be continually tormented for donkey's years until he dies. Just help Me, My Parents, and My Group to go out of Thailand to fly to The Holy Home. It is enough!**
