

My message to Prince William (17 February 2025)

Will, I try to understand You. But **why** You have let Me wait for calling from You for so long? ...

... Or the truth is that You All still have not figured out “We are fooled into waiting for”? ...

... Or maybe the truth is that You will wait until You All will be sure that massive foreign people knew “We are fooled into waiting for” and I will not die definitely. After that, You will decide to call Me? ...

... Or maybe the truth is that You and Your Dad are strictly following “royal rules” to bring the felons to be sentenced under The Law of the UK? ...

... Will, ***if You and Your Dad are strictly following “royal rules” to bring the felons to be sentenced under The Law of the UK, think over ...***

... Will, ***if strict following “the royal rules” make You, Your Dad, Harry, The British Monarchy, British people, and the UK lose at courts of law of countries where citizens do not respect The Father Almighty or another name is Allah, courts of law of countries where almost all citizens are illiteracy, and courts of law of countries where almost all citizens are wicked, because of that The British Monarchy and the UK not only need to pay for a large number of compensations and interests until bankruptcy but You, Your Dad, Harry, and tremendous British people will also be prisoned, Will, will You and Your Dad will strictly follow “the royal rules”? ...***

... Will, ***courts of law of every country are “independent”***. Will, ***I mean that You cannot bring judgements of courts of law of the UK and Muslim Courts to use at the courts of law of the countries where You highly tend to lose at earlier! ...***

... Will, You and Your Dad have to listen to Me. Will, some pronunciations in the song “Ice Ice Baby” sung by Vanilla Ice are ***“Police on the sea. You know what I mean. I am patriot, can run, and/or I do not mean”*** Will, The Father told Me many times “Angie, ***lawyers use the words “and/or” to write legal documents!***” ... And Will, ***the meaning of the song is “Many police officers and many lawyers who declare themselves “We are patriots” are not patriots. They work the plan!” ...***

... Will, *I also know natures of all Thai people and The Father confirmed their plan to Me. All Thai people planned "If we are sentenced, the UK and other countries where are our targets to blacken must be sentenced too!"* ...

... Will, The Father also told Me "Angie, *the wicked citizens starve much money" The Father told Me their thoughts "We do not want THB. We need GBPs!"* ...

... And Will, *have You and Your Dad ever thought about how The Mind of Mine who have been severely tormented to die since 1990 along with have continued waiting for calling and helping from You since 29 January 2013, has been?*

Will, why I truly want You to *fast* call Me?

Will, since I was born, My Hypothalamus works *abnormal*. It *cannot* normally release heat out of My Brain and Body.

Will, now, Thailand is so much very hot. And when I am in hot weather, *some* of My conditions are;

- 1) I will be *headache*.
 - 2) I will be *faint*, or may be *shock*. Will, I had got heatstroke once too.
- And
- 3) There is *blood* when I blow running nose out.

Will, *I need to turn on air-conditioner almost all days and almost all nights. But if I turned on air-conditioner like that, My Dad would not definitely have enough money to pay for electricity cost.*

Will, *not only My conditions in the hot weather are like these, but My conditions of SLE or another word is "Lupus" such as SLE Rash and Butterfly Rash have been come back again. And My Mom told Me many times "There are SLE Rash on Your Body because Your Inner Body has extremely been inflammations!" Will, although I do not "collide" or "kick" anything, there are some bruises on My Body. And My Mom told Me several times "It is because Your Blood System has had a problem!"*

Will, I also told You *how all Thai people treat Me and My Parents.*

And Will, once again: Almost all Thai people are drug-sellers and/or drug-addicts. They all have helped one another to run their plan on Me **to make Me addict drugs and suicide since 1990 when I was just 14 years old**. Will, **now, only 1 year I will be 50 years old**. So, Will, **could You forecast what else I have been confronted each day every day for around 35 years?**

Will, now, I sometimes think that because You knew that I do love You, so You think that You can do anything to Me. Will, do not think like that because **everyone has his own limit of his own patient**.

Will, if You do not want to talk to Me, We will talk about only Our Missions. And if You do not want to marry Me, after You and I will have arrived The Holy Home, You and I will divorce at once. So, You will be free again. But **now, Will, please fast call Me to let Me know** that You are The Real Son of The Father and You will do Your Best to help Me, My Parents, and My Group to go out of Thailand to fly to The Holy Home, **or** You are not The Real Son of The Father, so You cannot help Me, My Parents, and My Group to go out of Thailand to fly to The Holy Home. Will, **if You are not The Real Son of The Father and You cannot help Me, My Parents, and My Group, I will request King Willem, or King Albert, or King Filipe, or Prince Frederick to save the lives of Mine, My Parents, My Group, and tremendous foreign people all over the world including all obedient Muslims**.

Will, **calling from You to let Me know** that You are The Real Son of The Father **or** You are not The Real Son of The Father will not only give Me **My New Life** and show Me **the sign** that I, My Parents, and My Group will be survived soon **or** I need to continue trying to request another king or another prince to help Me, My Parents, and My Group to go out of Thailand to fly to The Holy Home **but will also be a way to help the tremendous foreign people including all obedient Muslims to survive. In that if You are not The Real Son of The Father, I will change My Plan from requesting You to save the world to be requesting another king or another prince to save the world instead of You**.

Will, please fast call Me to let Me know that You are The Real Son of The Father or You are not The Real Son of The Father. Will, **My mobile phone number including International Country Code is 66 96 964 2445**. Will, once again. My mobile phone number including International Country Code is **66 96 964 2445**. Will, **I am still waiting for calling from You**.

Will, **My Life has been under severe torments to die continually for around 35 years**. Will, **nobody wants to be violently tormented until he dies. And Me too**.

Will, *I am still waiting for calling from You.*
