

My message to Prince William for Christmas 2024 ***(15 December 2024)***

Will, would You mind to countdown online to 2025 with Me together? 😊😊

Will, 2025 ended by Number 5 which is one of My Number, but 2026 ended by number 6, and Will, You knew how I feel with number 6. So, Will, countdown to 2025 together is the most appropriate for Us to begin to continue Our Everlasting Love and Forever Bond again 😊😊❤️❤️.

Will, I am waiting for calling from You on **25 December 2024**. And Will, would You mind to send Your Mind to talk to Me before You are calling Me? 😊😊

Will, I have waited for You to come to get Me to fly to The Holy Home since 29 January 2013. And I have really seriously waited for calling from You periodically since Christmas Day 2017. Will, this is My **49th wait** for calling from You. Will, if You truly love Me, please do not make Me feel so disappointed again 😊😊.

❤️😊😊 Will, I am waiting for calling from You 😊😊❤️
