

My message to The Parents of Harry's Soulmate
(2 October 2025)

Hi, I would like to tell The Parents of Harry's Soulmate that ...

... I truly would like to call You "Daddy (and Your Name)" and "Mommy (and Your Name)". I do not strongly want to call You The Parents of Harry's Soulmate. But I have not known Your Names. So, I did not say anything about You in the previous video clip. It does not mean that I forgot You. **I never forget You. We came down altogether, so We will not definitely leave one another.** ...

... Please understand Me. ...

😊😊😊😊 Thank you very much, sir 😊😊😊😊.
