

My message to a man whom The Father Almighty calls “Will” (2 February 2024)

Prince William, sir. If you are The Real Son of The Father Almighty, listen to Me carefully;

Prince William, sir. I told you “After you knew “We are fooled into waiting for Jesus and The Judgement”, you must fire the harlot and her children out of the positions and your palace, and then call Me to consult each other to succeed in Our Missions” But after you knew “We are fooled into waiting for Jesus and The Judgement”, you ordered your authorities to investigate and find evidences.

Prince William, sir. You have done the same as I never told and never asked you;

1) “The time passed 24 years. ***If you were a felon, what would you do in the early years?***”

2) “I heard pronunciations “Many night we pray ***with no proved-hand. Nee won. Could hear?***” at the beginning of the song “When You Believe” sung by Whitney Houston”

3) “I heard pronunciations “Who know One. “Me”. “Recall”. You can ***a cheat***” from the song 3 times.

4) “I heard pronunciations ***“You will win, you, Billy”*** from the song many times”

5) “When pimp king Bhumibol was a boy, he spent his life in Switzerland and Europe. And his teachers and friends there called him ***“Billy”***”

6) “A singer who sings the song “Piano Man” which the meaning of the song is about “A day when Will will come to get Me at Thailand” and started by pronouncing “It’s 9 o’clock on a Saturday” is ***“Billy Joel”***”

7) I heard that Whitney had a queue to go on the stage of Grammy Award 2012, but ***why*** Whitney was passed on at the night before Grammy Award 2012?

8) ***“Whose*** voices I have usually heard since 2000?”

9) “Many creative people and many foreign people are assigned to ***lie to*** other people including judges and juries in every court of law to help pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people ***to alibi and blacken*** Queen Elizabeth, The British Monarchy, British people, and many foreign people. Even ***your*** authorities whom you assigned to investigate and find evidences ***are ready to reverse their words*** to help pimp king Bhumibol, the satanic Chakri dynasty, David Cameron, and evil British people”

10) “They chose people whom we ***trust*** to join them”

11) “They ***put the right man into the right job at the start***”

12) “The Father Almighty told Me “Around **billion** people all over the world will be taken down to die in hell and the eternal flame after “Process of Redemption” at The Holy Home will have been finished”

13) “A judge at the court of law must judge a defendant **without** any biases”

14) “For criminal law, a defendant will be convicted of a crime or a felony after a state attorney or a plaintiff can prove his crime or his felony to a judge **undoubtedly**”

And

15) “***There is “civil claim in connection with an offense”***”

So, Prince William, sir. Why do not you believe Me “Now, the rest of evidences are only words of witnesses”? Prince William, sir. I believe that you ever heard “An action is louder than words”, so you believed that their behaviours and their deeds will help judges in every court of law to judge them as real felons. But Prince William, sir. How about your behaviours and your deeds? Prince William, sir. Because people all over the world who wish us maliciously are ready to lie to other people to help pimp king Bhumbol and the satanic Chakri dynasty, so why do not you quickly follow My advices, but wait for evidences? Prince William, sir. ***Not only their actions are louder than words, but your actions are also louder than words!***

Prince William, sir. I advised you to do these but you always do opposite to My advices. Prince William, sir. You may not know that ***your deeds seem to be a felon too***. Prince William, sir. Did you hear the pronunciations from the refrains of the song “Million Reasons” sung by Lady Gaga the same as Me: “***A Charles make the worst seem better***” “***A Child make the worst seem better***” and “***A Charles make the worst seem better***” again?

Prince William, sir. ***When I speak out, you never listen to and follow Me. So, when you speak out, why do I need to listen to and follow you?***

Prince William, sir. If you are The Real Son of The Father Almighty, I would like to underline My thought again: ***If I marry My Real Soulmate who will come into My life as My youngest child, spending My life as a single is better.***
