

## ***My message to all harlots who want to get over Me (3)*** ***(15 February 2025)***

I would like to send My message in these video clips to all harlots who want to get over Me and have giggled with one another by the thoughts “Prince William is feeling bored Angie soon in that Angie is old, ugly, and very fat. So, they will be separated by us undoubtedly.”

Because you all have thought like these, so I would like you all to know: I am older but My Sex Organ is not only **young** but also **tight** in that it is **never “opened to use”** so it is still **tight**. It is **better than** you all are younger but the sex organs of yours all are **elderly** and **loose** in that they **are worked so hard** until they became **loose**. And do not you remember that I am lovely, beautiful, and slender **naturally** but you all have helped one another to change My Appearance from lovely, beautiful, and slender **naturally** to be older, ugly, and very fat **illusory**, but change appearances of yours all to be good-looking and slender **illusively** and make you all famous **unrightly**?

I believe that you all really know **what is better between** My Sex Organ which is **never “opened to use”** so it is still **tight and** the sex organs of yours all which **are worked so hard** until they became **loose**.

***If women who are wicked, polygamous, and screw are good, but women who are nice, monogamous, and naïve are bad, why do you all pretend to be nice, monogamous, and naïve? And why do not you reveal your truths of screw and how loose your pussy is to the world?***

Why I know your truths of wicked, polygamous, and screw?

It is because The Father Almighty or another name is Allah asked Me “Angie, ***all the female members of the satanic Chakri dynasty are like these, so what type of women pimp king Bhumibol and the satanic Chakri dynasty chose to get close Will, Harry, King Charles, The Kings, and The Princes to grab Will, Harry, King Charles, The Kings, and The Princes?***”

You all may think “Our sex organs are not on The Head of Angie!”

So, *I would like you all to know: Although the sex organs of yours all are not on My Head, Prince William of The British Monarchy is The Son of The Father Almighty or another name is Allah (or another word is A Boy of The Father), My Real Soulmate, My Older Brother, and My Backup to help One Another to complete Our Missions, with the result that I know His Natures which all are about “clean”. But because you all have taken advantages of now you all can order The Father, and Prince William cannot tell any truths to public so as to try to cram your loose pussies onto Him who is A Boy of The Father and My Real Soulmate, so although your loose pussies are not on My Head, your loose pussies are My direct businesses.*

Not only the sex organs of yours all which *are worked so hard* until they became *loose are not appropriate for* Prince William, Prince Harry, King Charles, The Kings, and The Princes, but *the most important point is also “You all are not their soulmates!”*

And *once again: I am old but die very, very, very old, die peacefully, and will be ascended to Heaven are better than you all are young but die young, die in a violent death, and will be sent to be extremely tormented in cold-blooded torments in Hell and The Eternal Flame forever!*

In Thailand, if a child of the parents has a thick face, and/or is wicked, and/or screw, Thai people will blame his parents “Why do not you teach your child?” However, *a significant truth is that girls have absorbed behaviours and habits of their mothers since they were born, right?*

*I do not specially point at anyone as a harlot. So, if you want to take this message as a harlot, it is your own business!*

By the way, you all are beauty-loving and have been self-centre for around *25 years*. So, in the end, *what will happen to you all after your real appearances will have been restored and everything will not have been as your minds?* 😊😊

Last, ***it is being in the end soon. So, try requesting The Father*** “I do not want to be died by a bomb, do not want to be severely tormented to die in Muslim Prisons, and do not want to be violently tormented in merciless states where are called Hell and The Eternal Flame forever!” But ***what if The Father does not follow your requests?*** 😊😊 ...

... 😊😊 ***“Good luck with a bomb!”*** 😊😊 ...

😊😊😊😊😊😊😊😊
