

## ***My message to foreign creative people (27 November 2024)***

I told everyone ...

“The Father Almighty or another name is Allah told Me on 17 November 2024 at around 11:10 am ...

... “Angie, the future about pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, Thailand, and all evil foreign people which I told pimp king Bhumibol and the satanic Chakri dynasty at the beginning was **only** “In the end, you and your alliances (your henchmen) will kill one another” ...

... But pimp king Bhumibol and the satanic Chakri dynasty **funnily** helped one another **to mix their lies with the truths** what will happen to them all to lie to the believers and the foreign people to make their lies to be credible and to be amazing to wait for: “This wicked leader will be impeachment to brutally die. That wicked leader will be bombed to die. This wicked person will be cold-bloodedly murdered. That wicked person will be mercilessly died. This harlot will be cruelly shot to torturously die. That harlot will be died in a violent death. And bla ... bla ... bla” **until the end of them all are “full of bloods and disasters” by My Voice!”**

And I told everyone ...

... “It was noted at the origin of The Bible **“The Father just says to make it happen as He wants”** And **“The Father actually wants to help everyone to see “bearing of fruits in this life” or another word is “karmas in this life” and truly wants to teach everyone not to lie to and not to do any sins”**

The Father told Me around on 22 November 2024 or 23 November 2024 “Angie, **the basic lie which pimp king Bhumibol and the satanic Chakri dynasty have used My Voice to lie to the believers and the foreign people about foreign creative people who became famous because they have ordered Me is “The more the famous he became, the more an extremely violent death he will be died in!”**

***Once again:  
The Father just says to make it happen as He wants!***

**😊😊 Congratulations  
for  
all good foreign creative people! 😊😊.**
