

My message to the new generations ***(22 December 2024)***

The Father Almighty or another name is Allah told Me on 22 December 2024 at around midday “Angie, tell the new generations: ***Many people who are the new generations and were born naturally can reform themselves except the new generations of Thai people, the new generations of South Korean people, and the new generations of North Korean people!***”

Why many people who are the new generations and were born naturally can reform themselves?

It is because the time The Father will turn back to is “1987” when ***the new generations who can reform themselves have not been born***. The new generations who can reform themselves will be born after “1987” in the new better world. Surroundings of the new better world will be full of goodness in that all humans in the new better world will be taught to be morally and nice. All the humans and the new generations who can reform themselves will also have many chances to see hell and the eternal flame through My Eyes and to feel hell and the eternal flame in their dreams in My Era.

Although after The Father will have turned back the time to “1987”, I will marry Prince William when I will be around 30 years old (2006 – 2007 AD.) with the result that My Mind will be closed. But after that, My Mind will be opened periodically to help the new generations in My Era to see hell and the eternal flame through My Eyes and to feel hell and the eternal flame in their dreams. And 2 People who will be able to disappear from this world to appear in hell and the eternal flame are Me and Prince William: You will see hell and the eternal flame through My Eyes and Prince William will be responsible for recording merciless states in hell and the eternal flame in Apple Products to be noted for our next generations who will be born after I and Prince William will have ascended to Heaven 😊😊.

Why I used the phrase “were born ***naturally***”?

It is because since the end of November 1999, pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all the Thai people, all evil foreign people, and many people who work the plan with them ***have been able to select*** “evil spirits” especially evil spirits who must die in hell and the eternal flame forever, to be born. These evil spirits were born ***unnaturally***, cannot reform themselves, and have no chance to be born again anymore.

Why many people who are the new generations and were born naturally can reform themselves **except** the new generations of the Thai people, the new generations of the South Korean people, and the new generations of the North Korean people?

It is because old karmas of the new generations of the Thai people, the new generations of the South Korean people, and the new generations of the North Korean people sent them to be born in the 3 countries where are the centres of wickedness. Their old karmas also made them naturally evil (I mean that they cannot reform themselves). Envy and wickedness are in their bloods.

After I will have been able to teach, I will thoroughly explain about the truths of old karmas and why old karmas have much power to make people who are the same, be born closely.

Why the new generations of Chinese people **are not** in the exception?

It is because The Father told Me “Angie, although all the Chinese people have helped one another to order Me, **not all** the Chinese people will be taken down to die in hell and the eternal flame forever. The rest of all the Chinese people who will be in the new better world are **more than** a half of the population at present!”

So, I would like the new generations especially the new generations who have heard “You can reform yourself” to fast stop joining the plan 😊😊.
