

My request to all ethical BBC reporters, all ethical CNN reporters, all ethical NHK reporters, and all ethical foreign reporters all over the world

(18 March 2024)

I would like you all to know that I am not sure but The Father Almighty told Me “Many foreign people have heard “When 19 April 2024 on which is 48th birthday of Angie arrives, foreign people who want to help Angie can start to do the right to help Angie to go out of Thailand to fly to The Holy Home on the birthday!””

If it is the truth, I really believed that foreign people who want to help Me can start to do the right to expose “the truths of Thailand” to the world too. As a result, I truly would like you all both who are professional and who are amateur to reveal some truths of Thailand to Me and the world;

Topic 1

“Srettha Thavisin, the present Thai prime minister, abnormally removed Police Major Suriya Singhakamol, the previous chief of the Department of Special Investigation, from being the chief because Police Major Suriya arrested outlaw pork of Dhanin Chearavanont”

The truths I would like you all to expose to Me and the world are;

(1.1) **Why** Police Major Suriya Singhakamol was abnormally removed from being the chief?

And

(1.2) **Whose** outlaw pork?

Topic 2

“Call centre gangs are a new business of the pimp kings of Thailand and the satanic Chakri dynasty”

The information I had is;

(a) Numbers which I believed that called Me from call centre gangs are **020162098, 0916228963, 0600036029, 0822680419, 0983940178, 0807127866, 0633497487, 0810321329, 0989891971, 025028043, 0632142814, 0600031700, 0632141644, 0934350154, 028524404** (This number called Me and suddenly dropped the call to trick Me into calling back), **0943752144** (This number called Me and introduce himself he is from Krungthai bank Central Had Yai branch but I never have any businesses there. So, I knew that he is a criminal. So that, I immediately dropped the line), **0810242155** (This number called Me and tricked Me into calling

back by making distract sounds and then the criminal dropped the call), and 022398454.

(b) I noticed that the numbers which started by “02” come from home phones, and other numbers are the numbers of mobile phones which registered in Thailand. But why Thai police officers have told victims “We cannot arrest them because their offices are abroad!”?

And

(c) 2 – 3 times while I was thinking “Call centre gangs are a new business of the pimp kings of Thailand and the satanic Chakri dynasty” and “High-level Thai police officers have gotten “bribes” from the call centre gangs (so, they cannot arrest the call centre gangs)”, I heard “Did you see The Kid knew?”)

From the information earlier, so I summarized that the call centre gangs are a new business of the pimp kings of Thailand and the satanic Chakri dynasty. Some of the gangs have given bribes to the pimp kings of Thailand and the satanic Chakri dynasty. But many of the gangs belong to the pimp kings of Thailand and the satanic Chakri dynasty. And high-level Thai police officers have gotten bribes from the call centre gangs. ...

... Could you all please expose to the world that My summaries are the truths, or not?

Topic 3

Could you remember the case of “Vorayuth Yoovidhya”, a descendant of a Thai billionaire family who owns “Red Bull” (A Thai beverage brand which is sold all around the world) and drove a luxury car crashed a Thai policeman?

I had a chance to read result of the investigation of the accident many years ago. The result told Me “Vorayuth was examined and was found “some kind of drugs” in his blood on the accident day”

The Father Almighty told Me on 17 March 2024 “The policeman who was crashed until he died was just a Police Senior **Sergeant** Major but Vorayuth is a descendant of a Thai **billionaire** family, so what have happened?”

The Father Almighty also told Me “Before the accident occurred, Vorayuth had taken drugs in a narcotic party. Then, he drove the luxury car to come home. So, while he was driving the car, drugs was “pumped up” in all his blood, then the accident happened!”

And a truth The Father Almighty told Me is that Thai people including Thai merchants and Thai businessmen are wicked and tricky. Foreign consumers have not known what they put into their foods and their beverages to sell all over the world! (I would like to emphasize the truth again “A business of Yoovidhya family is “Red Bull” which is a beverage selling all over the world”!)

The truths I would like you all to expose to Me and the world are;

(3.1) **Result** of examination of Vorayuth. What kind of drugs in his blood on the accident day?

(3.2) **Why** process of the Thai justice cannot bring Vorayuth to be punished?

(3.3) **Why** Vorayuth who is a criminal **could go out** of Thailand to spend his life in the UK?

(3.4) **Why** the immigration department of the UK let Vorayuth who is a criminal **running away from being sentenced**, go into the UK and spend his life in the UK? (While he is spending his life in the UK, he has his own bodyguards) How much **bribe** Yoovidhya family has to pay for the immigration department of the UK and relating departments of the UK? And the departments of the UK **knew** that which country is the source of the problems, and the satanic Chakri dynasty aim to kill Me, The Daughter of The Father Almighty, and to overthrow all ethical monarchies **including The British Monarchy**, so **why** the departments let Vorayuth spend his life in the UK?

And

(3.5) Which food from Thailand else and which beverages from Thailand else **put “narcotic” in**, to sell all over the world?

And the truths I would like you all to expose to Me and the world are;

(1) **Where** is “Yingluck Shinawatra”? And **what else** she has done in a day while she has spent her life abroad?

And

(2) Every country **knows** which country is the source of the problems, and the satanic Chakri dynasty aim to kill Me, The Daughter of The Father Almighty, and to overthrow **all** ethical monarchies especially The British Monarchy, all ethical Monarchies in Europe, and Imperial House of Japan. But **why** the immigration department and the relating departments of these countries let Thai people spend their lives in their countries? How much **bribe** the departments of these countries have gotten from the Thai people? or the government of these countries are **accomplices** of pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people **to overthrow their own monarch**?

Last, I would like to confirm the truth ...

... Our world went into an evil era ...

... not because ...

... the wicked does not stop ...

... but because ...

... the good do nothing ...

😊😊 Thank you so very much in advance, sir 😊😊
