

## ***No wake up and how to make wake up call***

***(2 February 2026)***

***(Please read them all.)***

Before 29 January 2026, I periodically heard “Queen Elizabeth and All The Spirits will not wake All The 3 Men up!”

And since 29 January 2026, Almighty or Allah has periodically told Me;

“Angie, because I know the certain future and because pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family are so satanic and tricky, so one of the agreements they made with Me at the start is;

“Because “Karma” (or another word is “Bearing of fruit”) happens because of our deed including our thought, so You must not let Any Spirits whom we killed, help Angie!” ...

... Angie, I mean that All The 3 Men will figure the truths out because the opposite of Us will have made a mistake in controlling All The 3 Men by himself! ...

... Angie, they offered Me the agreement like that because to blacken Queen Elizabeth, Prince Philip, All The 3 Men, All Ethical Members of The British Monarchy, Most of English People, England, and their targets to blacken, they aim to control All The 3 Men not to start to help You as long as they can, and at the time when they offered Me the agreement, they were sure “We will not make any mistakes in controlling All The 3 Men. But if we made a mistake in controlling All The 3 Men, everything will have been ready for blackening All The 3 Men and our targets to blacken before we will make the mistake in controlling All The 3 Men!” ...

... But Angie, I know all the certain future!”

Did you know why the opposite of Us has killed many people and many other living things? And did you know although Almighty has told Me many times “Angie, I know all the certain future!”, why I have scolded Almighty?

I have scolded Almighty because;

1) Almighty sent Me to teach everyone about “Law of Karma” or another word is “Bearing of Fruit”.

2) I, Prince William, Prince Harry, and Prince Harry’s Soulmate were sent to be born for the first time. Therefore, We All do not have any old bad karmas in any previous lives.

3) I have lived in The Merit Ways since I was born. But they all have lived in the mortal sin ways since they were born. Almighty Himself told Me “Angie, You Yourself are abundant of merits. But they all are abundant of mortal sins and sins!”

And

4) Killing is a mortal sin. And since 2000, how a large number of lives that were passed away by them?

Whereas, Almighty Himself Who knows the certain future (so, He knows at the time He created The World “What they are” And “How a huge number of lives will be killed by them”) chose to agree the agreements not to let Any Spirits who were passed on by them to help Us even though they are abundant of mortal sins and sins but I Who am abundant of merits have been severely tormented to die by them since 1990 when I was just 14 years old. And now, not more than 3 months, I am being 50 years old. Almighty sent Me to teach about “Law of Karma” or another word is “Bearing of fruit”, but He has done as if merits and sins did not have any powers and any meaning to result anything to our lives. ... What the hell Almighty thought!

Anyway, I would like to tell My All shining stars in the darkest nights and My All alliances again: If you can help Me, why some people who planned to help Me was passed over?

It is because at the start, they agreed with their co-workers all over the world to order, control, and keep tabs on people in their zones.

Our World is wide. How they all know all movements of each person in their zones?

It is because the world’s population today is around 8,000,000,000 people. But Almighty has told Me “Angie. In this era, wicked people are innumerable” And “Around 3,000,000,000 people all over the world will be taken down to die in Hell and Fire”. It means that their co-workers just 1 person has supervised only 2 - 3 people!

If the co-worker has a business to do, he just requests another co-worker (or other co-workers) to supervise the people in his zone instead of himself!

Countries which all the citizens work the plan are Thailand as the leader, Bhutan, North Korea, and South Korea. Many citizens of Thailand and South Korea are sent to live in many parts of Our World. And scores of citizens of Bhutan and North Korea have much free time because of job types of their countries. Almighty told Me “Angie. All the Bhutanese have been a group of main supervisors to

supervise Most of The English People and order England to be like “a big slum”” And “Angie. All the Bhutanese know how bad their king is. Hence, they all want You to marry their king because one of their thoughts is “Angie is The Best. Thus, She must deserve it right!””

How about millionaires and billionaires in Monaco and all around The World whom we still have not known real sources of their money and how they grow their money up? The rich has much free time, right?

How about the heads and gangsters of drug selling gangs all over The World? And how about mafias and outlaw people all around The World? They all do not have any routine works, right?

Their responsibilities are much easier because the leaders and the governments of all countries are their co-workers. Think twice: What else the politicians and the retired who are their co-workers do each day!

As a result, they and their co-workers have known all movements of each person in each zone.

And they just killed some famous people to threaten us not to do the right!

**Whereas, could you remember that I told you how to speed up their mistake in controlling All The 3 Men;**

**“If you can, please help Me by trying to **repeatedly** tell the truths to All The 3 Men in **short words** such as “Call Angie” “Angie is right” “Help Angie” and “Follow Angie”. The more the people who hint and/or tell All The 3 Men to know the truths will help All The 3 Men to **more frequently** think of the truths from Me. So, it will be **more difficult** to all the members of the satanic Chakri dynasty especially pimp king Bhumibol, prostitute queen Sirikit, and prostitute Bajrakitiyabha to control All The 3 Men. And **the more the frequently** All The 3 Men think of the truths from Me, **the more the chance** all the members of the satanic Chakri dynasty especially pimp king Bhumibol, prostitute queen Sirikit, and prostitute Bajrakitiyabha will make a mistake in controlling All The 3 Men!” 😊😊**

**(I am not sure but Almighty told Me “The mistake is happening because All The 3 Men consider their lies which contrast one another and words of Yours, Your many shining stars in the darkest nights, and Your many alliances!”)**

**An important tip is that you **must not** plan anything before going to hint and/or to tell the truths to Each of All The 3 Men. Think to go **at once** and go **at once**.**

Because the main supervisors who control you not to be able to speak any truths out when you are in front of All The 3 Men are all the members of the satanic Chakri dynasty especially pimp king Bhumibol, prostitute queen Sirikit, and prostitute Bajrakitiyabha with helping from secretaries of All The 3 Men, bodyguards of All The 3 Men, and people who close up All The 3 Men such as wicked servants in Their Palaces, and because I strongly believe that they have been able to control people who are in front of Each of All The 3 Men as at that time, **not many** people aim to speak the truths out, so could you guess what **you all** have to do to help Me to make wake up call for All The 3 Men to save your countries and Our World? 😊😊

If a huge number of all of us stand up, it will be many chances when their co-workers **cannot** control people in their zones in time, and it will be many chances when all the members of the satanic Chakri dynasty especially pimp king Bhumibol, prostitute queen Sirikit, and prostitute Bajrakitiyabha **will** make a mistake in controlling you and All The 3 Men 😊😊.

Almighty started telling Me long time ago “Angie. Because pimp king Bhumibol knows the truths of karma and how karma works, so he really knows that because he, his wife, and people whom he raises as if they were his offspring, enticed people whom You, Your Parents, All The 3 Men, and their all targets to kill, trust to betray Us, so he will be betrayed in the end. **So that, in the end, he is not trusting anyone with the result that he is not allowing anyone to control Will instead of himself!**” And I am not sure but Almighty told Me more than several times “Angie. Pimp king Bhumibol controls Will. If many people help You to hint and/or to tell the truths to Will, pimp king Bhumibol will need to pay his concentrated meditation to control Will and the situations. And **because now, pimp king Bhumibol is around 98 years old, so if he usually pays his concentrated meditation to control Will and the situations every day, he will be mental exhausted with the result that he will fall asleep more easily!**”

They all have played games to torment and kill us but have banned All The Spirits whom they tormented and killed to wake All The 3 Men up. **So, I request My All shining stars in the darkest nights and My All alliances to play games with them back by helping Me to make wake up call for All The 3 Men by ourselves. ...**

... Almighty has repeatedly told Me “Angie, I know all the **certain** future!” ...

... 😊😊 And I told you **how** to make wake up call. 😊😊

Note: They will not definitely allow Almighty to tell Me the day when they will make a mistake in controlling All The 3 Men. And I am not sure that Almighty told them the day of the mistake, or not. But I think that He told them at the start.

However, if you doubt why Almighty told them because they can prevent not to let the day of the mistake come, Almighty wants to ask you back “Did you understand the word “the **certain** future?”” And once again: I told you how to make wake up call 😊😊.
