

Nothing!
(Some truths of all the Thai people)
(26 June 2026)
(Please read them all.)

After I had told The World the truths of screws (promiscuous) of pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, the Thai troop, and the Thai police, on 9 May 2026 at around 2:35 am, I was woken up to go to My Bathroom, and I felt that My Mouth was strong bad smell. Then, I heard the voice of a man “อยากปากเหมือนส้วมดีนัก!” or can be translated in The English Language “Your Mouth is really like a loo!”

Later on, on the day, after I had thought of the voice of the man, I heard the voice of Prayut Chan-o-cha “ใครพูด? ต้องเอาออกจากราชการไว้ก่อน!” or can be translated in The English Language “Who spoke out like that? We must fire him out of the government before!” And then, I heard the voice of the man again “ผมช่วยนายนะ!” or can be translated in The English Language “My commander, I have helped you!”

I actually believed that the owner of the voice of the man is a soldier. If he is not a soldier, he must be a police officer. An important truth is that no gentleman does these to good girls, good women, and/or The Girly Prophet.

Therefore, did you know why Almighty or Allah let foreign people all over The World call “Thailand” = “The prostitute country”?

It is because;

All the **Thai men** including all the **Thai soldiers** and all the **Thai polices = pimps**

And

All the **Thai women** including all the **Thai soldiers** and all the **Thai polices = prostitutes**

As their natures are truly appropriate for being “The prostitute country”!

I would like to spotlight Our Mind again;

“**Nothing** in Thailand and of Thailand that made Me proud of to have been born here!”
