

Offences of Perjury and Offences of Defamation

(22 January 2026)

(Please read them all.)

I would like all people who work the plan with pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, and all the Thai people to know;

If you agree with pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, and/or their Thai co-workers to lie the lies to a judges and jury in a court of law to blacken Queen Elizabeth, Prince Philip, King Charles, Prince William, Prince Harry, All Ethical Members of The British Monarchy, most of English People, England, and/or their targets to blacken because you believe their lies "If we succeed in helping one another to lie the lies to judges and juries in courts of law, "no bearing of fruit" or "no karma"!", I would like to ask you;

Do you know that there are offences of perjury which not only persecutors can sue you but your targets to blacken can also directly sue you?

The offences of perjury are the offences about whoever speaks out and/or shows something which is not the truth to a judge, an inquiry officer, and/or an authority who involves with the case.

The offences of perjury are finished after you just laid a lie and/or just showed something is not the truth to a judge, an inquiry officer, and/or an authority who involves with the case. I mean that your targets to blacken do not need to wait for a main court case to be finished.

The offences of perjury can be sued with offences of defamation. And the offences of defamation can be sued both criminal law and civil law as offences of tort.

I have warned you all many times that the offences of tort which you all have offended the lives and the bodies of Mine, My Parents, My Group, Prince William, Prince Harry, Prince Harry's Soulmate, King Charles, Prince Andrew, Prince Andrew's Family, most of The English People, and the good such as ordering us not to sleep and changing our appearances, are the offences of not only the civil law but also the criminal law.

We will proceed the court cases both the civil court cases and the criminal court cases to not only The Court of Law of England but also Muslim Courts. Most of The English People are The People of The Father Almighty or Allah, so they all can proceed the court cases to Muslims Courts too.

The Father told Me “Angie, each of their orders is calculated to be compensations and interests **at least** 20,000,000,000 GBP for an order. So, if their money is not enough for compensating Us the compensations and the interests, they will be brought to be severely tormented to die instead of the compensations and the interests!”

Have you ever known that if a defendant does not have enough money to pay for a fine, he will be prisoned for the fine?

So, once again: If the money of yours all is not enough for compensating Us the compensations and the interests, the severe torments will be for all the offences which you all work altogether to offend Us ... including the offences of perjury and the offences of defamation!
