

## ***Once again (2)***

***(27 March 2026)***

***(Please read them all.)***

Almighty or Allah told Me on 26 March 2026 at night;

“Angie, You forgot to tell 2 of their main purposes of agreeing all the agreements with Me at the start;

7) **To succeed in tempting the foreign people** into believing “Pimp king Bhumibol and prostitute queen Sirikit really died” and “Pimp king Bhumibol died a long time ago.”

And

8) **To have much more time** to separate Will and You, Harry and Harry’s Soulmate, My People Who are Soulmates, and other soulmates who are their victims!”
