Only pimp king Bhumibol and pimp mha Vajiralongkorn! (3)

(3 March 2026)

(Please read them all.)

I told you;

Almighty or Allah told Me on 1 March 2026 before midday;

“Angie. Prostitute Sirikitiya never aims to confess any truths of herself to anyone. But both prostitute Ubolratana Rajakanya and prostitute Sirikitiya ordered Me to lie the conversation to You like that because prostitute queen Sirikit and all the female offspring of prostitute queen Sirikit planned to throw their all wrongs on only pimp king Bhumibol and pimp mha Vajiralongkorn!”

And Almighty told Me more truth on 1 March 2026 at night;

“Angie. The plan which prostitute queen Sirikit and all the female offspring of prostitute queen Sirikit will throw their all wrongs on only pimp king Bhumibol and pimp mha Vajiralongkorn, was thought by “Prayuth Jun-o-cha”!”

I would like you to know more truth which Almighty told Me on 1 March 2026 at night;

“Angie. Nattha Ad-harn by allowances of Ratchaneewan Ad-harn and Ad-harn family told You “Prostitute Sirikitiya never aims to confess any truths of herself to anyone. But both prostitute Ubolratana Rajakanya and prostitute Sirikitiya ordered Me to lie the conversation to You like that because prostitute queen Sirikit and all the female offspring of prostitute queen Sirikit planned to throw their all wrongs on only pimp king Bhumibol and pimp mha Vajiralongkorn!”

Whereas, Angie. People who told You “The plan which prostitute queen Sirikit and all the female offspring of prostitute queen Sirikit will throw their all wrongs on only pimp king Bhumibol and pimp mha Vajiralongkorn, was thought by “Prayuth Jun-o-cha”!” are prostitute Ubolratana Rajakanya and prostitute Sirikitiya. In that both of them want to divert attentions of pimp king Bhumibol and pimp mha Vajiralongkorn from “Who will do as the plan” to be “Who thought the plan” Therefore, Angie, do You think what the other else prostitute Ubolratana Rajakanya and prostitute Sirikitiya want from telling this truth to You?”

Therefore, I would like to ask their all foreign co-workers: “Before you made your decision to work the plan with them, did you know their natures?” ☺☺☺☺
